Medical Student (MD) Advisor for Urology: 2002-present

**PAST TEACHING RESPONSIBILITIES:**

Experimental Surgery for Surgical Skills: Eight lectures (one hour per each lecture) and 300 hours hand to hand lessons to 360 medical students, Department of Surgery, Southeast University School of Medicine (Formerly Nanjing Railway Medical College), Nanjing, China, 1987

Research Guide: College Student - Kukuy E (Project: The detrimental effects of electric current on normal sperm), Department of Urology, Tulane University School of Medicine, 1993

Research Guide: Ph.D. and M.D. Students - Champion HC and Estrada LS (Projects: Pharmacological induction of penile erection in the cat; Effect of tumor necrosis factor- $\alpha$  and interferon- $\gamma$  on human sperm function), Department of Urology, Tulane University School of Medicine, 1995, 1996

Research Guide: Visiting Fellows - Da Ros CT, MD and Filho MB, MD (Project: Sperm stimulation with peptides), Department of Urology, Tulane University School of Medicine, 1996

Resident Education: In charge of urology weekly morning educational conference at the Division of Urology, University of Texas – Houston Medical School (arranging speakers, making conference schedules and monitoring the lectures), 2002-2005

**CURRENT GRANT SUPPORT:**

Cecil M. Crigler, MD Endowment Chair Fund. \$1800, 000 Base Interest/Yearly.

Boston Scientific Fellowship Grant (Mentor for Travis Green, MD). \$50,000, 2021 – 2022

Coloplast Fellowship Grant (Mentor for Travis Green, MD). \$50,000, 2021 – 2022

Boston Scientific Fellowship Grant (Mentor for Kareim Khalafalla, MD). \$50,000, 2022

- 2023

Coloplast Fellowship Grant (Mentor for Kareim Khalafalla, MD). \$50,000, 2022 – 2023

### **PAST GRANT SUPPORT:**

Unrestricted Grant, UroMatrix Medical Systems, LLP. \$100,000 for 2012 -2013.

Sexual Medicine Society of North America Research Grant. Adipose derived stem cells with cox1-10aa-PGIS gene improve erectile functions in rats with bilateral cavernous nerve crush injury (Mentor for Haocheng Lin) \$3,000, 2012.

Erectile dysfunction induced by hypercholesterolemia in apolipoprotein-E knockout mice: a morphologic study; Mentor for Lloyd M, MD student; NIH Summer Research Program; 5/2004 – 7/2004, \$5,500. (Protocol # T35 DK007676-12)

Are subsequent semen analyses necessary when a patient has a semen analysis that has demonstrated azoospermia after vasectomy? Mentor for Dang M, MD student; NIH Summer Research Program; 5/2004 – 7/2004, \$5,500. (Protocol # T35 DK007676-12)

Phase 2 multi-center randomized, double-blind, placebo controlled, 4 arm, 12 month study to evaluate the effects of GPI 1485 on erectile function in patients undergoing bilateral nerve-sparing radical retropubic prostatectomy for prostate cancer; Principal investigator; Guilford Pharmaceuticals Inc. 3/2004 – 3/2006; \$124,453; (Protocol #0501-0202)

The AMS Tactile Pump Performance Study; Principal investigator; American Medical Systems Inc.; 8/2005 – 8/2006, \$11,880; (Protocol # MES042)

A phase IIb, multi-center, randomized double-blind, placebo-controlled study, with open-label follow on, to evaluate the efficacy, safety and tolerability of PSD502 in subjects with Premature Ejaculation (PE); Principal investigator; Plethora Solutions Ltd., Pharm-Olam International; \$100,000 (estimated), 8/2006 - 7/2008 - \$4,271 per patient; (Protocol # HSC-MS-08-0171)

Unrestricted Grant, Timm Medical, Inc. \$10,000, 2008

Unrestricted Grant, Timm Medical, Inc. \$10,000, 2010

Unrestricted Grant, The Geddings & Bessie Osbon Institute. \$ 20,000, 2010

Sexual Medicine Society of North America Research Grant. The molecular mechanism of Vacuum Erectile Device therapy in penile rehabilitation. (Mentor for Jihong Yuan) \$5,000, 2010.

Vacuum Erectile Device Therapy Improving Penile Rehabilitation in Rats after Cavernous Nerve Injury. Principal investigator; The Geddings & Bessie Osbon Institute. 11/2007-12/2012, \$20,000 (Protocol # HSC-AWC07-151)

A randomized, double-blind, placebo-controlled, parallel group, multicenter study of the safety and efficacy of avanafil in the treatment of erectile dysfunction following bilateral nerve-sparing radical prostatectomy. Principal investigator; Vivus Inc.; 5/2009-12/2012, \$241,809 (Protocol No.TA-303)

Evaluation of AMS IPP LGX for Maintaining Penile Length while Treating ED; Principal investigator; American Medical Systems Inc.; 12/2008 – 12/2012, \$18,000 (Protocol HSC-MS-08-0096)

Coloplast penile prosthesis (lengthening) study; Principal investigator; Coloplast Corporation; 8/2008 – 3/2013, \$30,758 (Protocol HSC-MS-08-0158);

Clinical Study To Evaluate The Ability Of MUSE To Decrease Erectile Function Recovery Time in Post-Radical Prostatectomy Patients; Principal investigator; Vivus Inc.; 3/2006 – 7/2013, \$116,981.87 (Protocol # HSC-MS-05-0425)

SuperEnzyme gene therapy improving penile rehabilitation in rats after cavernous nerve injury. Principal investigator; Dean's research grant. University of Texas Medical School at Houston. 8/2008 –6/2013, \$25,000 (Protocol HSC-AWC-08-048).

Vacuum erectile device therapy for Peyronie's disease. 7/2010 – 6/2013, Timm Medical, Inc. and Geddings & Bessie Osbon Institute. \$20,000 (Protocol # HSC-AWC-10-102)

A multimedia intervention for male sexual problems after cancer. Subcontractor Principal Investigator. National Cancer Institute (NCI). 9/2009 – 2015 present, \$34,449/year. Project: 1R41 CA139822-01A1.

Study of Non-Invasive Vibrect penile vibratory stimulation regimen to enhance recovery of erectile function/rigidity and urinary control/continence after nerve sparing radical prostatectomy (RP) for clinically localized prostate cancer. \$39,914 (Protocol # HSC-MS-13-0897), 2014.

Nanotechnology improved gene stem cell therapy in erectile dysfunction in post radical prostatectomy animal model. (Supported by Gift grant) AWC-14-0105, 8/22/2014

The role of miRNA in erectile dysfunction in post radical prostatectomy animal model. (Supported by Gift grant) AWC-16-0056, 6/2016

Sexual Medicine Society of North America Research Grant. Nanotechnology improves stem cell therapy in erectile dysfunction in post radical prostatectomy animal model (Mentor for Haocheng Lin). \$4,000, 2015.

Boston Scientific Fellowship Grant (Mentor for Jonathan Clavell, MD). \$75,000, 2017 - 2018

Gift Donation from Timm Medical, University Pharmacy and Mr. Charles Olson, \$10,000, 2018.

Enhancing stem cell therapy for erectile dysfunction with improved homing, Impact Score: 19, Total budget \$224,842/year. NIH R43DK119020-01, 2018 (AWC-18-0046).

Boston Scientific Fellowship Grant (Mentor for Jose Antonio Saavedra, MD). \$60,000, 2018 – 2019

Boston Scientific Fellowship Grant (Mentor for Christopher R Kannady, MD). \$50,000, 2019 - 2020

Coloplast Fellowship Grant (Mentor for Christopher R Kannady, MD). \$99,691, 2019 – 2020

Sexual Medicine Society of North America Research Grant. Enhancing stem cell therapy for erectile dysfunction with improved homing (Mentor for Baibing Yang, MD, PhD). \$7,500, 2019 – 2020.

Gift Donation from University Pharmacy and Mr. Charles Olson, \$6,000, 2020.

Boston Scientific Fellowship Grant (Mentor for Sravan Panuganti, DO). \$50,000, 2020 – 2021

Coloplast Fellowship Grant (Mentor for Sravan Panuganti, DO). \$50,000, 2020 – 2021

  79. Jacobsohn KM, Huber N, Wang R. Effective treatment of erectile dysfunction

- (ED) following local therapy for prostate cancer. Presented at the 11<sup>th</sup> World Congress of the International Society for Sexual and Impotence Research, Buenos Aires, Argentina, October 17-21, 2004.
80. Wang R, Jacobsohn KM, Huber N. Management of erectile dysfunction (ED) following androgen ablation for prostate cancer. Presented at the 11<sup>th</sup> World Congress of the International Society for Sexual and Impotence Research, Buenos Aires, Argentina, October 17-21, 2004.
  81. Wang R, Stemson S, Dai Y, Lewis R. Superficial dorsal penile vein thrombosis: an updated report. Presented at the 8th International Congress of Andrology, Seoul, South Korea, June 12-16, 2005.
  82. Wang R, Huber N, Madsen L, Wood C, Babaian R. programmed penile rehabilitation after radical prostatectomy with nerve grafting. Presented at the 8th International Congress of Andrology, Seoul, South Korea, June 12-16, 2005.
  83. Wang R, Dang M, Ritchey M. Subsequent semen analyses are not necessary when a patient has azoospermia on initial semen analysis after vasectomy. Presented at the 8th International Congress of Andrology, Seoul, South Korea, June 12-16, 2005.
  84. Wang R, Dang M, Baker B, Ritchey M. Post-vasectomy semen analyses: are subsequent tests necessary when a patient has azoospermia on initial test? Presented at the South Central Section of the American Urological Association 84<sup>th</sup> Annual Meeting, Austin, Texas, September 15-18, 2005.
  85. Wang R, Stemson S, Dai Y, Lewis R. Clinical characteristics of penile Mondor's disease. Presented at the South Central Section of the American Urological Association 84<sup>th</sup> Annual Meeting, Austin, Texas, September 15-18, 2005.
  86. Wang R, Chaves JM, Jacobsohn KM. Differences in penile length between intracavernosal injection and inflatable penile prosthesis induced erection. Presented at the South Central Section of the American Urological Association 84<sup>th</sup> Annual Meeting, Austin, Texas, September 15-18, 2005.
  87. Wang R, Dang M, Stage AC, Chen PC. Penile color duplex doppler ultrasound influences the decision for penile prosthesis implantation. Presented at the South Central Section of the American Urological Association 84<sup>th</sup> Annual Meeting, Austin, Texas, September 15-18, 2005.
  88. Wang R, Chaves JM, Jacobsohn KM. Erect penile length induced by intracavernosal injection versus that obtained with penile prosthesis. Presented at the 10<sup>th</sup> Biennial Meeting of the Asia Pacific Society for Sexual and Impotence Research, Cairns, Australia, October 4-8, 2005.
  89. Wang R, Dang M, Stage AC, Chen PC. Does penile color duplex doppler

- ultrasound influence the decision for penile prosthesis implantation? Presented at the 10<sup>th</sup> Biennial Meeting of the Asia Pacific Society for Sexual and Impotence Research, Cairns, Australia, October 4-8, 2005.
90. Wang R., Huber N, Madsen L, Wood C, Babaian R. Compliance to penile rehabilitation program following radical prostatectomy: one year data. Presented at the 10<sup>th</sup> Biennial Meeting of the Asia Pacific Society for Sexual and Impotence Research, Cairns, Australia, October 4-8, 2005.
  91. Huber N, Wood C, Babaian R, Madsen L, Shen Y, Wen S, Wang R. Recovering penile length and erectile function following radical prostatectomy. Presented at the Sexual Medicine Society of North America Fall Meeting, New York City, New York, November 17-20, 2005.
  92. Wang R., Huber N, Madsen L, Wood C, Babaian R. Long term compliance to penile rehabilitation program following radical prostatectomy. Presented at the Sexual Medicine Society of North America Fall Meeting, New York City, New York, November 17-20, 2005.
  93. Wang R., Chaves JM, Jacobsohn KM. Comparison of erect penile length induced by intracavernosal injection to that obtained with inflatable penile prosthesis. Presented at the Sexual Medicine Society of North America Fall Meeting, New York City, New York, November 17-20, 2005.
  94. Shah SR, Evans A, Boyd BG, Wang R., Lewis RW. The Yachia procedure for Peyronie's disease: the MCG experience. Presented at the Sexual Medicine Society of North America Fall Meeting, New York City, New York, November 17-20, 2005.
  95. Wang R. Comparison of different inflatable penile prostheses in treating erectile dysfunction. Presented at the 12<sup>th</sup> World Congress of the International Society for Sexual Medicine, Cairo, Egypt, September 17-21, 2006.
  96. Herry GDH, Wang R., Wilson SKW. Simultaneous implantation of IPP and AUS through a single penoscrotal incision: a multicenter study. Presented at the 12<sup>th</sup> world Congress of the International Society for Sexual Medicine, Cairo, Egypt, September 17-21, 2006.
  97. Dai YT, Chen Y, Wang R., Li SX, Yan LS. Valsartan treatment reverses erectile dysfunction in diabetic rats. Presented at the 12<sup>th</sup> World Congress of the International Society for Sexual Medicine, Cairo, Egypt, September 17-21, 2006.
  98. Wang R., Jacobsohn KM. Erect penile length induced by intracavernosal injection to that obtained with inflatable penile prosthesis: a follow-up study. Presented at the 12<sup>th</sup> World Congress of the International Society for Sexual Medicine, Cairo, Egypt, September 17-21, 2006.

99. Wang R, Othman OR. Two-piece penile prosthesis is as effective as three-piece penile prosthesis for treating erectile dysfunction: a comparison study. Accepted for presentation at the 85<sup>th</sup> Annual Meeting of the South Central Section of the AUA, Santa Fe, NM, October 4-8, 2006.
100. Wang R. Evaluation of effectiveness of different inflatable penile prostheses in treating erectile dysfunction. Presentation at the Sexual Medicine Society of North America Fall Meeting Las Vegas, Nevada, November 3-5, 2006.
101. Wang R, Jacobsohn KM. Longitudinal evaluation of erect penile length obtained with inflatable penile prosthesis to that induced by intracavernosal injection. Presented at the Sexual Medicine Society of North America Fall Meeting Las Vegas, Nevada, November 3-5, 2006.
102. Westney OL, Wang R. Inflatable penile prosthesis implantation and male sling: a perineal approach. Presented at the Sexual Medicine Society of North America Fall meeting Las Vegas, Nevada, November 3-5, 2006.
103. Madsen L, Babaian RJ, Wood C, Huber N, Wen S, Wang R. The clinical trials nurses' role as a collaborator in a clinical research protocol. Presented at the 9th National Conference on Cancer Nursing Research, Hollywood, California, February 8-10, 2007.
104. Wang R, Shu T. Initial experience with robotic varicocelectomy. Presented at the American Society of Andrology Annual Meeting, Tampa, Florida, April 18-24, 2007.
105. Wang R, Shu T. Robotic vasovasostomy: initial experience. Presented at the American Society of Andrology Annual Meeting, Tampa, Florida, April 18-24, 2007.
106. Pham DQ, Wood CG, Wen S, Sotelo T, Shen Y, Babaian RJ, Wang R. Penile rehabilitaiaon after unilateral nerve sparing radical prostatectomy with or without sural nerve grafting: results of a prospective randomized trial. Presented at the American Urological Association Annual Meeting, Anaheim, CA, May 19-24, 2007.
107. Yuan J, Chunn JL, Tiejuan Mi T, Molina JG, Abbasi S, Sun C, Zhang J, Miller CS, Westney OL, Blackburn MR, Kellems RE, Xia Y, Wang R. Adenosine deaminase knockout in mice induces priapism via A2b receptor. Presented at the American Urological Association Annual Meeting, Anaheim, CA, May 19-24, 2007.
108. Wood CG, Chang D, Wang R, Shen Y, Pettaway CA, Pisters LL, Swanson DA, Chevray P, Wen S, Madsen LT, , Babaian RJ. A randomized phase II trial

- evaluating the importance of early erectile dysfunction rehabilitation and unilateral autologous sural nerve grafting in patients undergoing a unilateral cavernous nerve sparing radical prostatectomy for clinically localized PR. Presented at the American Urological Association Annual Meeting, Anaheim, CA, May 19-24, 2007.
109. Pham D, Wood CG, Wen S, Wen S, Shen Y, Babaian RJ, Wang R. Correlation of penile length, nocturnal tumescence and erectile function in patients on programmed penile rehabilitation after unilateral nerve sparing radical prostatectomy with and without sural nerve grafting: results of a prospective randomized trial. Presented at the Sexual Medicine Society of North America Winter meeting, Chicago, Illinois, December 6-9, 2007.
  110. Gorbatiy V, Westney OL, Wang R. Cost and time benefit of dual implantation of inflatable penile and bulbourethral sling prosthetics by single perineal incision. Presented at the Sexual Medicine Society of North America Winter meeting, Chicago, Illinois, December 6-9, 2007.
  111. Yuan J, Westney OL, Ruan KH, Wang R. Penile rehabilitation with vacuum erectile device in rats after cavernous nerve injury. Presented at the American Urological Association Annual Meeting, Orlando, FL, May 17-22, 2008.
  112. Yuan J, Westney OL, Ruan KH, Wang R. SuperEnzyme gene therapy improved penile rehabilitation in rats after cavernous nerve injury through anti-hypoxia and anti-apoptotic mechanism. Presented at the American Urological Association Annual Meeting, Orlando, FL, May 17-22, 2008.
  113. Westney OL, Romero C, Wang R. Simultaneous placement of inflatable penile prosthesis and male sling through a single perineal incision. Presented at the American Urological Association Annual Meeting, Orlando, FL, May 17-22, 2008.
  114. Yuan J, Wang R. Superenzyme gene therapy. Presented at the NIH/AUA Foundation Summer Research Conference on Sexual Medicine, Baltimore, MD, August 7-9, 2008.
  115. Sajadi K, Spears B, Shab S, Boyd B, Wang R, Lewis R. The Yachia corporoplasty for Peyronies disease: a single institution nine year experience. Presented at the joint meeting of the European and international societies for sexual medicine, Brussels, Belgium, December 7-11, 2008.
  116. Yuan J, Westney OL, Ruan KH, Wang R. Superenzyme gene therapy improved penile rehabilitation in rats after cavernous nerve injury. Presented at the joint meeting of the European and international societies for sexual medicine, Brussels, Belgium, December 7-11, 2008.

117. Tharian R, Svebla L, Wang R. Comparison of vacuum therapy for erectile dysfunction in patients after prostatectomy to the patients without prostatectomy. Presented at the joint meeting of the European and international societies for sexual medicine, Brussels, Belgium, December 7-11, 2008.
118. Yuan J, Westney OL, Ruan KH, Wang R. Mechanism of superenzyme gene therapy in penile rehabilitation. Presented at the joint meeting of the European and international societies for sexual medicine, Brussels, Belgium, December 7-11, 2008.
119. Yuan J, Westney OL, Ruan KH, Wang R. Penile rehabilitation with vacuum erectile device in rats after cavernous nerve injury. Presented at the joint meeting of the European and international societies for sexual medicine, Brussels, Belgium, December 7-11, 2008.
120. Wang R, Lin H, Dai Y. Initial semen analysis with azoospermia is predictive of successful vasectomy for sterilization. Presented at the American Society of Andrology Annual Meeting, Philadelphia, Pennsylvania, April 4-7, 2009.
121. Wang R, Howard G, Hoang A, Yuan J, Lin H, Dai Y. Prospective and long-term evaluation of erect penile length obtained with inflatable penile prosthesis to that induced by intracavernosal injection. Presented at the 30<sup>th</sup> Congress of the Société Internationale d'Urologie, Shanghai, China, November 1-5, 2009.
122. Yuan J, Paredes A, Zhang R, Li P, Liu A, Westney OL, Lin H, Dai Y, Wang R. The science of penile rehabilitation after radical prostatectomy with vacuum erectile device. Presented at the 30<sup>th</sup> Congress of the Société Internationale d'Urologie, Shanghai, China, November 1-5, 2009.
123. Lin H, Yuan J, Ruan KH, Dai Y, Wang R. Gene therapy with SuperEnzyme for ED after cavernosal nerve crush injury in rat. Presented at the 5<sup>th</sup> World Chinese Urological Society Meeting, San Francisco, CA, May 29, 2010.
124. Yuan J, Lin H, Paredes A, Dai Y, Westney OL, Wang R. Vacuum therapy in penile rehabilitation via anti-hypoxic, anti-apoptotic mechanism. Presented at the American Urological Association Annual Meeting, San Francisco, May 29 – June 3, 2010.
125. Guan ZC, Shi BT, Wang R. Resiniferatoxin for treatment of premature ejaculation: a new medical therapy. Presented at the 14<sup>th</sup> World Meeting of the International Society for Sexual Medicine, Seoul, Korea, September 26 – 30, 2010.
126. Wang R, Lin HC. Sub-Scarpa's fascia placement of the penile prosthesis reservoir: a new surgical technique. Presented at the 14<sup>th</sup> World Meeting of the International Society for Sexual Medicine, Seoul, Korea, September 26 – 30, 2010.

127. Friebe RW, Lin HC, Hinh PP, Berardinelli F, Canfield SE, Wang R. The impact of minimally invasive surgeries for the treatment of symptomatic benign prostatic hyperplasia on male sexual function. Presented at the 14<sup>th</sup> World Meeting of the International Society for Sexual Medicine, Seoul, Korea, September 26 – 30, 2010.
128. Henry G, Wang R, Carrion R. Correlation of pre-op and post-op penile measurements with the Titan<sup>®</sup> inflatable penile prosthesis (IPP). Presented at the 14<sup>th</sup> World Meeting of the International Society for Sexual Medicine, Seoul, Korea, September 26 – 30, 2010.
129. Wang R, Henry G, Carrion R. Correlation of pre-op and post-op stretched versus erect penile measurements with the Titan<sup>®</sup> inflatable penile prosthesis (IPP). Presented at the 14<sup>th</sup> World Meeting of the International Society for Sexual Medicine, Seoul, Korea, September 26 – 30, 2010.
130. Chan A, Zainfeld D, Lin HC, Wang R. Penile prosthesis implantation with reservoir placement under Scarpa's fascia for high risk patients. Presented at the 16<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Miami Beach, FL, November 11-14, 2010.
131. Friebe R, Lin HC, Hinh P, Canfield S, Wang R. Male sexual function after minimally invasive surgeries for BPH. Presented at the 16<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Miami Beach, FL, November 11-14, 2010.
132. Henry G, Carrion R, Wang R. Maintaining penile length with the Titan inflatable penile prosthesis (IPP). Presented at the 16<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Miami Beach, FL, November 11-14, 2010.
133. Lin H, Yuan J, Ruan K, Dai Y, Wang R. Adipose derived stem cells with cox1-10aa-PGIS gene improve erectile functions in rats with bilateral cavernous nerve crush injury. Presented at the American Urological Association Annual Meeting, Washington DC, May 14 – 19, 2011.
134. Lin H, Alba F, Romero C, Chan A, Dhir R, Wang R. Penile curvature is a common finding at the penile prosthesis implantation for patients with erectile dysfunction after radical prostatectomy. Presented at the American Urological Association Annual Meeting, Washington DC, May 14 – 19, 2011.
135. Mulhall JP, Moul JW, Wang R, Shin D, Engel JD, Day WW, DiDonato K, Shih W, Bowden CH, the Avanafil Post-Prostatectomy Study Group. A randomized, double-blind, placebo-controlled, parallel-group, multicenter study of the safety and efficacy of avanafil in the treatment of erectile dysfunction following bilateral nerve-sparing radical prostatectomy. The Cancer Survivorship and Sexual Health

Meeting. Washington DC, June 18-19, 2011.

136. Lin H, Dai Y, Wang R. Penile rehabilitation with vacuum erectile device in animal model is related to anti-hypoxic mechanism: blood gas evidence. Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
137. Lee D, Wang R. Penile prosthesis in men with biochemically recurrent/metastatic prostate cancer: is there a role? Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
138. Henry G, Houghton L, Wang R. Post operative penile rehab with AMS 700 LGX® cylinders for maintaining penile length- 6 to 12 month patient satisfaction outcomes. Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
139. Lee D, Chan A, Ewane K, Lin H, Truong H, Wang R. Comparison of conceal reservoir to regular reservoir placement for high risk patients receiving inflatable penile prosthesis implantation. Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
140. Dhir R, Chan A, Lin H, Romero C, Alba F, Wang R. Inflatable penile prosthesis implantation with cavernous tissue sparing: a randomized study. Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
141. Mulhall J, Moul J, Wang R, Shin D, Engel J, Day W, DiDonato K, Shih W, Bowden C. A phase iii, placebo-controlled study of the safety and efficacy of avanafil in the treatment of erectile dysfunction following bilateral, nerve-sparing radical prostatectomy. Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
142. Wang R, Burnett AL, Omori K, Kotera J, Kikkawa K, Yee S, DiDonato K, Day WW. Avanafil, a highly selective phosphodiesterase type 5 inhibitor for the treatment of erectile dysfunction: selectivity for eleven pde isozymes, in comparison with sildenafil, tadalafil and vardenafil. Presented at the 17<sup>th</sup> Annual Fall Scientific Meeting for the Sexual Medicine Society of North America, Las Vegas, NV, November 10-13, 2011.
143. Wang R, Burnett AL, Omori K, Kotera J, Kikkawa K, Yee S, DiDonato K, Day WW. Avanafil, a highly selective phosphodiesterase type 5 inhibitor for the treatment of erectile dysfunction: selectivity for eleven pde isozymes, in comparison with sildenafil, tadalafil and vardenafil. Presented at 14<sup>th</sup> Congress of the European Society for Sexual Medicine. Milan, Italy, December 1-4, 2011.

144. Lin H, Wang R. The effect of vacuum therapy on Peyronie's disease rat model. Presented at the AUA annual meeting, Atlanta, GA, May 19-23, 2012.
145. Bella A, Wang R, Shamloul R, Zappavigna C, Ahmed M, Sadeghi-Nejad H. 3-piece inflatable penile prosthesis insertion post T-shunt for priapism with dilation/corporal snake maneuver and comparison to post Al-Ghorab shunt IPP outcomes. Presented at the AUA annual meeting, Atlanta, GA, May 19-23, 2012.
146. Lee D, Chan A, Ewane K, Lin H, Truong H, Wang R. Comparison of conceal reservoir to regular reservoir placement for high risk patients receiving inflatable penile prosthesis implantation. Presented at the AUA annual meeting, Atlanta, GA, May 19-23, 2012.
147. Romero C, Alba F, Westney OL, Wang R. Simultaneous placement of transobturator male sling and insertion of inflatable penile prosthesis through a single perineal incision. Presented at the AUA annual meeting, Atlanta, GA, May 19-23, 2012.
148. Lin H, Dai Y, Ruan K, Wang R. The mechanisms of adipose derived stem cells with cox1-10aa-PGIs gene improve erectile function after cavernous nerve injury. Presented at the ISSM/SMSNA Joint World Meeting on Sexual Medicine, Chicago, IL, August 26-30, 2012.
149. Bella AF, Wang R, Sbamloul R, Zappavigna C, Abmed M, Sadeghi-Nejad H, Munarriz R. 3-piece inflatable penile prosthesis insertion post distal T-shunt for priapism with dilation/corporal snake maneuver and comparison to post Al-Ghorab shunt IPP outcomes. Presented at the ISSM/SMSNA Joint World Meeting on Sexual Medicine, Chicago, IL, August 26-30, 2012.
150. Lee D, Chan A, Ewane K, Lin H, Truong H, Wang R. Update on comparison of conceal versus regular sub-scarpa's fascia reservoir placement for high-risk patient receiving inflatable penile prosthesis implantation. Presented at the ISSM/SMSNA Joint World Meeting on Sexual Medicine, Chicago, IL, August 26-30, 2012.
151. Wang R, Lin H, Cunningham K, Ketchandji M, Stein M. Simultaneous circumcision with penile prosthesis implantation does not increase the risk of infection. Presented at the ISSM/SMSNA Joint World Meeting on Sexual Medicine, Chicago, IL, August 26-30, 2012.
152. Henry G, Wang R, Carrion R. Multicenter Prospective Study on Penile Measurements 2 Years After Placement of a Titan Three-Piece Inflatable Penile Prosthesis. Presented at the Southeastern Section of the American Urologic Association, Williamsburg, VA. March 15, 2013
153. Qian S, Qin F, Wang R, Wei Q, Yuan J. How the vacuum therapy prevent penile

- shrinkage in penile rehabilitation. Presented at the AUA annual meeting, San Diego, CA, May 4-8, 2013.
154. Lin H, Wang R. Penile traction therapy improve penile curvature in Peyronie's rat model. Presented at the Sexual Medicine Society of North America the 19<sup>th</sup> Annual Fall Meeting. New Orleans, November 22, 2013.
  155. Kelley JM, Klaassen Z, O'Neil CE, Li Q, Fox PJ, Sajadi K, Wang R, Lewis RW. Long-term outcomes and patient satisfaction after Yachia corporoplasty for Peyronie's disease: a single institutional review. Presented at the Sexual Medicine Society of North America the 19<sup>th</sup> Annual Fall Meeting. New Orleans, November 23, 2013.
  156. Lopez DS, Wang R, Canfield S. Role of caffeine and sugar consumption on erectile dysfunction in US men. Presented at the AUA annual meeting, Orlando, Florida, May 16-21, 2014.
  157. Jiang R, Lin H, Wang R. Improving erectile function of SHR by silencing Rock2. Presented at the AUA annual meeting, Orlando, Florida, May 16-21, 2014.
  158. Lin H, Wang R. Comparison of vacuum therapy and penile traction therapy on Peyronie's disease rat model. Presented at the AUA annual meeting, Orlando, Florida, May 16-21, 2014.
  159. Kelly JM, Klaassen Z, O'Neill CE, Li Q, Fox PJ, Sajadi KP, Wang R, Lewis RW. Long-term outcomes and patient satisfaction after Yachia corporoplasty for Peyronie's disease: a single institutional review. Presented at the AUA annual meeting, Orlando, Florida, May 16-21, 2014.
  160. Ayoub H, Wang R, Westney OL. Concomitant IPP and Virtue male sling placement utilizing a single incision. Presented at the 16<sup>th</sup> World Meeting on Sexual Medicine (ISSMSLAMS), São Paulo, Brazil, October 8-12, 2014.
  161. Lin H, Dhanani N, Tseng H, Souza G, Wang, R. Nanotechnology improved stem cell therapy in erectile dysfunction in post radical prostatectomy animal model. Presented at the 16<sup>th</sup> World Meeting on Sexual Medicine (ISSMSLAMS), São Paulo, Brazil, October 8-12, 2014.
  162. Jiang R, Wang R, Lin H, Yang L. Effect of hyperglycemia on the expression of aquaporins in rat vagina. Presented at the 16<sup>th</sup> World Meeting on Sexual Medicine, São Paulo, Brazil (ISSMSLAMS), October 8-12, 2014.
  163. Lin H, Dhanani N, Tseng H, Souza G, Wang, R. Nanotechnology improved stem cell therapy in erectile dysfunction in post radical prostatectomy animal model. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of Sexual Medicine Society of North America, Miami, FL, November 20 - 23, 2014.

164. Lin H, Dhanani N, Tseng H, Souza G, Wang R. Nanotechnology improved adipose derived stem cell therapy in erectile dysfunction in post radical prostatectomy animal model. Presented at the AUA annual meeting, New Orleans, Louisiana, May 15-19, 2015.
165. Lopez DS, Tsilidis KT, Advani S, Wang R, Hernandez M, Symanski E, Canfield S. Association of urinary phthalate metabolites with erectile dysfunction in different racial and ethnic groups in the national health and nutrition examination survey (NHANES) 2001-2004. Presented at the AUA annual meeting, New Orleans, Louisiana, May 15-19, 2015.
166. Pryor M, Carrion R, Wang R, Henry G. Prospective evaluation of postoperative penile rehabilitation: penile morphology and patient satisfaction 2 years following coloplast titan inflatable penile prosthesis. Presented at the SMSNA 21<sup>st</sup> Annual Fall Scientific Meeting, Las Vegas, NV, November 19 -22, 2015.
167. Gross M, Henry G, Wang R. Preop vs. postop penile length/girth maintenance and satisfaction following AMS 700 LGX inflatable penile prosthesis implantation. Presented at the SMSNA 21<sup>st</sup> Annual Fall Scientific Meeting, Las Vegas, NV, November 19 -22, 2015.
168. Benson C, Wang R. “The Wang Collar”: a novel post-operative device after inflatable penile prosthesis placement. Presented at the SMSNA 21<sup>st</sup> Annual Fall Scientific Meeting, Las Vegas, NV, November 19 -22, 2015.
169. Patel B, Piecuch M, Wang R, Hakim L, Sadeghi-Nejad H. Testosterone pellet implantation practices among members of the sexual medicine society of north America (SMSNA). Presented at the AUA annual meeting, San Diego, CA, May 6-10, 2016.
170. Lin H, Dhanani N, Tseng H, Souza G, Wang G, Cao Y, Ko T, Jiang H, Wang R. The mechanisms of nanoparticle improving adipose derived stem cells therapy for erectile dysfunction. Presented at the AUA annual meeting, San Diego, CA, May 6-10, 2016.
171. Staller A, Benson C, Wang R. Novel protective penile collar following inflatable penile prosthesis placement; the “Wang Collar”. Presented at The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 24, 2016.
172. Gross MS, Phillips EA, Carrasquillo RJ, Thornton A, Greenfield JA, Levine LA, Alukal JP, Connors WP, Glina S, Tanrikut C, Honig SC, Becher EF, Bennett NE, Wang R, Perito PE et al. Multicenter investigation of the microorganisms involved in penile prosthesis infection: are the AUA and EAU guidelines appropriate for penile prosthesis prophylaxis and infection management? Presented at The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 24, 2016.

173. Staller A, Wagenheim G, Wang R. Novel technique for inflatable penile prosthesis reservoir removal with use of laparoscopic instruments. Presented at The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 22-25, 2016.

183. Gross MS, Greenfield JM, Levine LA, Alukal J, Connors WP, Glina S, Tanrikut C, Honig SC, Becher EF, Bennett NE, Wang R, Perito PE, Stahl PJ, Rossello Gaya M, Rossello Barbara M. The relationship between infection severity, microorganisms, and surgical intervention in inflatable penile prosthesis infections. Presented at the 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.
184. Clavell-Hernandez J, Wang R. Emerging complications after ectopic placement of reservoirs during inflatable penile prosthesis surgery: a multi-institutional experience. Presented at the ISSM 21<sup>st</sup> World Meeting, Lisbon, Portugal, February 28 – March 3, 2018.
185. Clavell-Hernandez J, Wu Q, Nguyen J, Zhou X, Davis J, Wang R. Penile Vibratory Stimulation in penile rehabilitation after radical prostatectomy: a randomized, controlled trial. Presented at the ISSM 21<sup>st</sup> World Meeting, Lisbon, Portugal, February 28 – March 3, 2018.
182. Clavell-Hernandez J, Fang A, Wang R. Non-degloving surgical technique with double dorsal-ventral patch graft and penile prosthesis placement for Peyronie’s Disease. Presented at the ISSM 21<sup>st</sup> World Meeting, Lisbon, Portugal, February 28 – March 3, 2018.
183. Clavell-Hernandez J, Ring J, Trost L, Kohler T, Wang R. Emerging complications after ectopic placement of reservoirs during inflatable penile prosthesis surgery: A multi-institutional experience. Presented at the AUA annual meeting, San Francisco, May 18 - 21, 2018.
184. Gross MS, Keene NH, Greenfield JA, Levine LA, Alukal JP, Connors WP, Glina S, Tanrikut C, Honig SC, Becher EF, Bennett NE, Wang R et al. New findings regarding the timeline of microorganisms, infection severity and surgical intervention in inflatable penile prosthesis infections. Presented at the AUA annual meeting, San Francisco, May 18 - 21, 2018.
185. Clavell-Hernandez J, Wang R: Glanulopexy for glans hypermobility: surgical outcomes on a rare condition. Presented at the SMSNA 2018 Annual Scientific Meeting, Miami, FL, USA, November 8-11, 2018.
186. Clavell-Hernandez J, Wang R: Sub-Scarpa’s fascia alternative reservoir placement of inflatable penile prosthesis: a 7-year experience. Presented at the 19<sup>th</sup> SMSNA 2018 Annual Scientific Meeting, Miami, FL, USA, November 8-11, 2018.
187. Wang R, Virasoro R, Delong J, Estrella R, Pichardo M, Rodriguez Lay R, Espino G, Elliott S: Sexual function outcomes following treatment with a novel drug-coated balloon (DCB) for treatment-refractory urethral stricture – The ROBUST I

- Study. Presented at the SMSNA 2018 Annual Scientific Meeting, Miami, FL, USA, November 8-11, 2018.
188. Osman M, Huynh LTowe M, Huynh L, El-Khatib FM, , Barton G, Broderick G, Burnett AL, Campbell JD, Clavell-Hernandez J, Gross M, Guillum R, Guise AI, Hatzichristodoulou G, Hellstrom W, Henry GD, Hsieh TC, Koprowski C, Jenkins LC, Lee KB, Lentz AC, Munarriz RM, Pan S, Parikh K, Park SH, Perito P, Sadeghi-Nejad H, Patel AS, Wang R, Yafi FA. Adherence to the AUA antibiotic prophylaxis guidelines in diabetic patient is associated with significantly higher risks of penile prosthesis infection. Presented at the 2019 AUA annual meeting, Chicago, May 3-6, 2019.
  189. Samuel A, Clavell J, Wang R, Sadeghi-Nejad H, Penile prosthesis reservoir removal: surgical description and patient outcomes. Presented at the 2019 AUA annual meeting, Chicago, May 3-6, 2019.
  190. Towe M, Huynh L, El-Khatib FM, Osman M, Broderick G, Burnett AL, Campbell JD, Clavell-Hernandez J, Gross M, Guillum R, Guise AI, Hatzichristodoulou G, Hellstrom W, Henry GD, Hsieh TC, Koprowski C, Jenkins LC, Lee KB, Lentz AC, Munarriz RM, Pan S, Parikh K, Park SH, Perito P, Sadeghi-Nejad H, Patel AS, Wang R, Yafi FA. Immediate preoperative blood glucose and hemoglobin A1c levels are not predictive of post-operative infections in diabetic men undergoing penile prosthesis placement. Presented at the 2019 AUA annual meeting, Chicago, May 3-6, 2019.
  191. Osman MM, Andrienne R, Broderick G, Burnett AL, Gross MS, Guise AI, Hatzichristodoulou G, Henry GD, Hsieh T, Jenkins LC, Lentz AC, Munarriz RM, Osmonov D, Park S, Perito P, Sadeghi-Hejad H, Simhan J, Wang R, Yafi FA, Collaborators D. Impact of antimicrobial dipping solutions on post-operative infection rates in diabetic patients undergoing primary insertion of a Coloplast Titan inflatable penile prosthesis. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
  192. Osman MM, Andrienne R, Broderick G, Burnett AL, Gross MS, Guise AI, Hatzichristodoulou G, Henry GD, Hsieh T, Jenkins LC, Lentz AC, Munarriz RM, Osmonov D, Park S, Perito P, Sadeghi-Hejad H, Simhan J, Wang R, Yafi FA, Collaborators D. Immediate preoperative blood glucose and hemoglobin A1c levels are not predictive of post-operative infection in diabetic men undergoing penile prosthesis placement. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
  193. Saavedra-Belaunde JA, Kannady C, Clavell-Hernandez J, Wang R. Improvement of minimal stress urinary incontinence after mini-jupette sling placement, during penile prosthesis surgery, for manangement of post-prostatectomy climacturia. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.

194. Saavedra-Belaunde JA, Clavell-Hernandez J, Wang R. Penile length as a measure of patient satisfaction after penile prosthesis surgery. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
195. Saavedra-Belaunde JA, Clavell-Hernandez J, Wang R. Erectile dysfunction management preferences in Hispanic males. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
196. Towe M, Andriane R, Broderick G, Burnett AL, Gross MS, Guise AI, Hatzichristodoulou G, Henry GD, Hsieh T, Jenkins LC, Lentz AC, Munarriz RM, Osmonov D, Park S, Perito P, Sadeghi-Hejad H, Simhan J, Wang R., Yafi FA, Collaborators D. Adherence to the AUA penile prosthesis antibiotic prophylaxis guideline in diabetic patients is associated with significantly higher risks of device infection. Presented at the 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
197. Yang BB, Luse D, Wang R. Vacuum Erectile Device Treatment for Erectile Dysfunction after Cavernous Nerve Injury: Role of Long-term Label-retaining Cells. Presented at the 2020 AUA Annual Meeting (Virtual), May 15, 2020.
198. Saavedra-Belaunde J, Kannady C, Slaughter K, Clavell-Hernandez J, Wang R. Penile length as a measure of patient satisfaction after penile prosthesis surgery. Presented at the 2020 AUA Annual Meeting (Virtual), May 15, 2020.
199. Saavedra-Belaunde J, Kannady C, Clavell-Hernandez J, Wang R. Improvement of Minimal Stress Urinary Incontinence after Mini-Jupette Sling Placement, During Penile Prosthesis Surgery, for Management of Post-Prostatectomy Climacturia. Presented at the 2020 AUA Annual Meeting (Virtual), May 15, 2020.
200. Howell S, Palasi BS, Green T, Kannady C, Slaughter K, Blum K, Young B, Panuganti S, Wang R. Comparing Patient Satisfaction in Penile Prosthesis Surgery after Radical Prostatectomy Versus the General Population (#159). Presented at the SMSNA 21<sup>st</sup> Annual Fall Scientific Meeting (Virtual). November 12, 2020
201. Palasi BS, Howell S, Green T, Kannady C, Slaughter KB, Young B, Panuganti S, Wang R. Does knowing pre-operative penile length influence patient satisfaction post penile prosthesis implantation? (#109) Presented at the SMSNA 21<sup>st</sup> Annual Fall Scientific Meeting (Virtual). November 12, 2020
202. Green TR, Panuganti S, Wang R. Erosion of Inflatable Penile Prosthesis with Prolonged Foley Catheterization in the COVID-19 Era. Presented at the 22nd Annual Fall Scientific Meeting of SMSNA, Scottsdale, AZ, USA on October 21-24, 2021.

203. Panuganti S, Green TR, Pham RT, Palasi SF, Howell SM, Santarelli S, Wang R. Lidocaine Incorporated Alprostadil-phenolamine Urethral Gel for Erectile Dysfunction: Patient Tolerability and Satisfaction. Presented at the 22nd Annual Fall Scientific Meeting of SMSNA, Scottsdale, AZ, USA on October 21-24, 2021.
204. Slaughter KB, Bako AT, Freet D, Blum K, Wang R, Vahidy F. Contemporary nationwide estimates and socio-demographic associates of bottom gender affirmation surgical procedures among transgender persons with gender dysphoria. Presented at the World Meeting on Sexual Medicine (Virtual), November 19-21, 2021
205. Palasi BS, Howell S, Green T, Kannady C, Slaughter KB, Young B, Panuganti S, Wang R. Does knowing pre-operative penile length influence patient satisfaction post penile prosthesis surgery? Presented at the World Meeting on Sexual Medicine (Virtual), November 19-21, 2021
206. Howell S, Palasi BS, Green T, Kannady C, Slaughter K, Blum K, Young B, Panuganti S, Wang R. Comparing patient satisfaction in penile prosthesis surgery after radical prostatectomy versus the general population. Presented at the World Meeting on Sexual Medicine (Virtual), November 19-21, 2021.
207. Clavell-Hernandez J, Wang R: Sliding technique through a non-degloving approach for Peyronie’s Disease: 2-surgeon experience. Presented at the World Meeting on Sexual Medicine (Virtual VJPU-video session), November 19-21, 2021.
208. Macharia K, Blum K, Green T, Mehr J, Akhverdiyeva L, Leonard A, Wang R. Single perineal incision in simultaneously placed penile implant and artificial sphincter: a comparison of complications and device longevity. Presented at the American Urological Association Meeting, New Orleans, Louisiana, May 13-16, 2022.

### **3. Invited Lectures:**

1. Practice urology in China. Department of Urology, Nijmegen University, Nijmegen, The Netherlands, August 23, 1990.
2. Varicocele – a new animal model. Tulane Primate Research Center, Tulane University, Covington, LA, October 18, 1990.
3. The medical treatment of impotence and Viagra. Chinese Medical Association, Jiangsu Branch, Nanjing, China, November 1, 1999.
4. Complex penile prosthesis implantation. Division of Urology, University of Florida, Gainesville, FL, January 18, 2002.
5. Penile prosthesis implantation. Department of Urology, Sichuan University, Chendu, China, July 17, 2002.
6. Medical education and urology training in USA. Suining People’s Hospital, Suining, China, July 23, 2002.
7. Treatment of ED: Viagra and other options. Pfizer training conference. Houston, TX, November 19, 2002.
8. Vasculogenic pathology for erectile dysfunction (ED). Department of Cardiovascular Surgery, University of Texas, Houston, TX, May 15, 2003.
9. Changing the landscape in the management of ED. Primary care groups, Corpus

- Christi, TX, April 22, 2004.
10. Cialis for ED. MD Anderson Cancer Center, Houston, TX, April 27, 2004.
  11. Vascular diseases and ED. Department of CV surgery, UT-Houston, TX, May 20, 2004.
  12. Medical and surgical management of priapism. Department of Urology, Sichuan University, Chengdu, China, August 21, 2004.
  13. From medical student to board certified urology in USA. Department of Urology, Sichuan University, Chengdu, China, August 21, 2004.
  14. Medical and surgical management of priapism. Department of Urology, Xian Jiaotong University, Xian, China, August 23, 2004.
  15. From medical student to board certified urology in USA. Department of Urology, Xian Jiaotong University, Xian, China, August 23, 2004.
  16. Priapism: medical and surgical management. Department of Urology, Nanjing University, Nanjing, China, August 26, 2004.
  17. From medical student to board certified urologist in USA. Department of Urology, Nanjing University, Nanjing, China, August 26, 2004.
  18. Penile implantation in high risk patients. The 5<sup>th</sup> Chinese Medical Association National Congress of Andrology, Nanjing, China, August 27, 2004.
  19. Erectile Dysfunction. Department of Family Medicine, University of Texas, Houston, TX, October 6, 2004.
  20. Cialis for ED: an update. MD Anderson Cancer Center, Houston, TX, February 10, 2005.
  21. Penile Prosthesis: Current types and complex implantation. Department of Urology, University of Kansas Medical Center, Kansas City, Kansas, January 7, 2005.
  22. Contemporary Strategies for Treating Erectile Dysfunction Following Radical Prostatectomy. Department of Urology, Nanjing University, Nanjing, China, June 9, 2005.
  23. Urology residency training and board certification in USA. Department of Urology, Shanghai First People's Hospital, Jiaotong University Medical College, Shanghai, China, June 10, 2005.

24. Treatment of Erectile Dysfunction Following Radical Prostatectomy: what is new? Department of Urology, Shanghai First People's Hospital, Jiaotong University Medical College, Shanghai, China, June 10, 2005.
25. Current Management of Erectile Dysfunction after Radical Prostatectomy. Columbus Urological Association Meeting, Columbus, Georgia, June 28, 2005.
26. Contemporary Strategies for Treating Erectile Dysfunction Following Radical Prostatectomy: MD Anderson Approach. World Symposium of Controversies in Prostate Cancer Detection and Treatment (CME Course), Kohala Coast, Hawaii, March 3-5, 2006.
27. ED after radical prostatectomy-what can we do? International Urology Forum and IX Urology Conference of Sichuan Province, Chengdu, China, March 10 – 11, 2006.
28. Erectile Dysfunction and Current Management. Kunming Urological Society. Kunming, China, March 12, 2006.
29. Pathophysiology and Treatment for Diabetic ED. American Society of Andrology Postgraduate Course (CME Course), Chicago, Illinois, April 8, 2006.
30. Priapism - Rational treatment. American Urological Association Annual Meeting-SMS Program, Atlanta, Georgia, May 21, 2006.
31. Prostate cancer & ED: our contemporary strategies. The 1<sup>st</sup> Annual Scientific Meeting of Macau Urological Association. Macau, December 10, 2006.
32. Advances of penile prosthesis implantation for erectile dysfunction. The 2<sup>nd</sup> Great Wall International Andrology Forum. Nanjing, China, March 17, 2007.
33. Mechanism and current strategies of penile rehabilitation after prostatectomy. The 2<sup>nd</sup> Great Wall International Andrology Forum. Nanjing, China, March 16, 2007.
34. Simultaneous placement of artificial urinary sphincter or male sling with penile prosthesis to treat male incontinence and erectile dysfunction. The Chinese Continence Society Meeting. Chengdu, March 23, 2007.
35. PDE5 inhibitor's for ED represents the pinnacle of therapy; alternative classes of drugs are unlikely to exhibit better safety/effectiveness profiles. American Urological Association Annual Meeting-SMS Program, Anaheim, California, May 20, 2007 (panelist).
36. A common approach for managing ED and LUTS. Th 11<sup>th</sup> Biennial Meeting of the Asia Pacific Society for Sexual Medicine. Jeju, Korea from October 7 to 10, 2007.

37. LUTS and ED: a new interest of urological andrology. Chinese Urological Association 14<sup>th</sup> Annual Meeting the 9<sup>th</sup> Oversea Chinese Urologist Meeting. Xiamen, China from October 16 to 18, 2007.
38. Combination therapy for male erectile dysfunction and urinary incontinence. Nanjing Andrology Society. Nanjing, China, October 23, 2007
39. Management of erectile dysfunction following pelvic surgery for cancer. Urologic Oncology: Advances in Clinical Practice. Houston, Texas, October 26 -27, 2007.
40. Current Management of Acute Priapism - Debate is it aggressive enough? American Urological Association Annual Meeting-SMS Program, Orlando, Florida, May 18, 2008 (Debator).
41. LUTS and ED. Grand Round Lecture for Family Medicine. Houston, Texas, June 11, 2008.
42. Current status of surgical management of priapism. Nanjing University Medical School Drum Tower Hospital. October 14, 2008.
43. Current Surgical Management of Priapism. The 3<sup>rd</sup> Greatwall International Andrology Forum, Guilin, China, October 16 -20, 2008.
44. Current Surgical Management of Erectile Dysfunction and Male Incontinence. The 3<sup>rd</sup> Greatwall International Andrology Forum, Guilin, China, October 16 -20, 2008.
45. Live Surgery for Male Incontinence and ED. The 3<sup>rd</sup> Greatwall International Andrology Forum, Guilin, China, October 16 -20, 2008.
46. Understanding and Management of ED after pelvic surgeries for cancer. Urologic Oncology: Advances in Clinical Practice. Houston, Texas, October 25 -26, 2008.
47. Mechanism and Current Strategies of Penile Rehabilitation after Radical Prostatectomy. Louisiana State University Medical School in Shreveport, Shreveport, Louisiana, June 29, 2009.
48. Current Surgical Management of Acute Priapism. Louisiana State University Medical School in Shreveport, Shreveport, Louisiana, June 30, 2009.
49. Minimally invasive surgery in the management of benign prostatic hyperplasia. The 4<sup>th</sup> Forum of Prostate Disease. Shanghai, China, August 7-10, 2009.

50. Radical Prostatectomy and Penile Dysfunction: still a urological challenge. The 16<sup>th</sup> Annual Meeting of Chinese Urological Association. Chengdu, Chian, September 18, 2009.
51. Artificial Urinary Sphincter. The 16<sup>th</sup> Annual Meeting of Chinese Urological Association. Chengdu, China. September 19, 2009.
52. Handling potency & lengthening penis. 9<sup>th</sup> International Prostate Forum. Izmir, Turkey, October 8-10, 2009.
53. Penile Dysfunction After Radical Prostatectomy. University of Ioannina. Ioannina, Greece. October 11, 2009.
54. Gene Therapy with SuperEnzyme for ED after Radical Prostatectomy. The 5<sup>th</sup> Congress of Asia Pacific Society for the Study of the Aging Male. Osaka, Japan, October 15-17, 2009.
55. Erectile Dysfunction after Radical Prostatectomy: current strategy and a potential new gene therapy. Suzhou International Clinic Forum 2009. Suzhou, China, October 30 – November 1, 2009.
56. Perineal Approach for the Simultaneous Placement of an Inflatable Penile Prosthesis and Male Sling: tricks and tips. Society of Genitourinary Reconstructive Surgeons Seminar at the 30<sup>th</sup> Congress of the Société Internationale d'Urologie, Shanghai, China, November 1, 2009.
57. Urology training: from medical student to board certified urologist in USA. Southeast University Zhong Da Hospital, Nanjing, China, November 5, 2009.
58. Diabetic ED: current understanding of the pathophysiology and the treatment. The 2<sup>nd</sup> International Workshop of Sexual Dysfunction. Nanjing, Chian, November 6-8, 2009.
59. Gene Therapy for Erectile Dysfunction after Radical Prostatectomy. The 2<sup>nd</sup> International Workshop of Sexual Dysfunction. Nanjing, Chian, November 6-8, 2009.
60. Management of ED and Incontinence after Prostatectomy: MD Anderson experience. Hong Kong Urological Association. Hong Kong, March 15, 2010.
61. The Impact of minimally invasive surgeries for the treatment of symptomatic benign prostatic hyperplasia on male sexual function. The 4<sup>th</sup> Greatwall International Andrology Forum, Shenzhen, China, March 18-21, 2010.
62. A new penile prosthesis – Coloplast OTR. The 4<sup>th</sup> Greatwall International Andrology Forum, Shenzhen, China, March 18-21, 2010.

63. From medical student to board certified urologist in USA: a long journey. Chengdu Military General Hospital. March 25, 2010.
64. LUTS and sexual dysfunction and the clinical challenges. 5<sup>th</sup> Japan Asian Conference in Men's Health & Aging Male. Kota Kinabalu, Sabah, Malaysia, July 9 -11, 2010.
65. Science of VED Therapy for ED after Radical Prostatectomy. The 10<sup>th</sup> Asia Congress of Urology (ACU), Taipei, Taiwan, August 27-31, 2010.
66. Penile Rehabilitation: Status in 2010. The 10<sup>th</sup> Asia Congress of Urology (ACU), Taipei, Taiwan, August 27-31, 2010.
67. Treatment of ED patients after failure of oral PDE5i: Combination therapies. The 14th World Meeting of the International Society for Sexual Medicine, Seoul, South Korea, September 26-30, 2010.
68. Penile prosthesis: up date in 2010. Peking University Andrology Symposium (2010) & Five Years Celebration of Andrology Center, Beijing, China, September 23 – 25, 2010.
69. Vacuum Science. 2010 Peking-Inha Andrology Symposium in Inha University, Seoul, South Korea, September 30, 2010.
70. Minimally invasive surgery for BPH and their effects on male sexual function. The Rinker-Witherington Urologic Society 38<sup>th</sup> Annual Meeting, Augusta, Georgia, February 11-12, 2011.
71. Current status of penile rehabilitation after radical prostatectomy. The Rinker-Witherington Urologic Society 38<sup>th</sup> Annual Meeting, Augusta, Georgia, February 11-12, 2011.
72. The new use of Vacuum Therapy for ED. Shanghai Jiao Tong University, Renji Hospital. Shanghai, China, March 8, 2011.
73. Minimally invasive surgeries for BPH and male sexual function. Sichuan University, West China Hospital. Chengdu, Sichuan, China, March 11, 2011.
74. Combined surgical therapy for male stress incontinence and ED. The World Chinese Urological Society Meeting at the AUA. Washington DC, May 14, 2011.
75. Prostate cancer treatment is not just about cancer-current surgical treatment of incontinence and ED. The 5<sup>th</sup> Forum of Prostate Disease. Shanghai, China, July 16-17, 2011.

76. Combination therapy for erectile dysfunction. The 22<sup>nd</sup> Annual Meeting of Japanese Society for Sexual Medicine. Okayama, Japan, October 1, 2011.
77. The science of VED therapy. Nanjing Society of Andrology. October 6, 2011.
78. Penile prosthesis implantation: update in 2011. Southeast University Zhong Da Hospital, Nanjing, China, October 7, 2011.
79. Becoming a qualified surgeon/educator/scientist. Southeast University Medical College, Nanjing, China, October 8, 2011 (The distinguished Alumni Lecture).
80. Penile prosthesis implantation: an update in 2011. The 13<sup>th</sup> Biennial Meeting of the Asia-Pacific Society for Sexual Medicine. Kaohsiung, Taiwan, November 16-20, 2011.
81. Peyronie's disease after prostate cancer treatment is more common than previously known. The 13<sup>th</sup> Biennial Meeting of the Asia-Pacific Society for Sexual Medicine. Kaohsiung, Taiwan, November 16-20, 2011.
82. Management of erectile dysfunction after prostate cancer treatment. The 10<sup>th</sup> International Prostate Forum. Kyoto, Japan, November 18 -19, 2011.
83. From a Medical Student to a Tenured Professor/Surgeon/scientist in USA. Nanjing 1<sup>st</sup> People's Hospital. Nanjing, China, November 25, 2011.
84. Combination therapy for erectile dysfunction: update 2011. The 4th Forum of Jinling Sexual Medicine. Nanjing, China, November 25-26, 2011.
85. The mechanism of VED for penile rehabilitation: animal study with blood gas evidence. The 4th Forum of Jinling Sexual Medicine. Nanjing, China, November 25-26, 2011.
86. Androgen deprivation therapy for prostate cancer and the effects on male sexual function. The 5<sup>th</sup> Great Wall Translational Andro-Urology Forum (GTAUF 2012). Haikuo, Hainan, China, March 8-12, 2012.
87. Robotic assisted varicocelectomy. Minimally Invasive Technology Forum. Chengdu, Sichuan, China, March 17-18, 2012.
88. Prostate cancer treatment and the effect on male sexual function. Jiangxi Cancer Hospital, Nanchang, Jiangxi, China (Chunhui Project), June 12, 2012.
89. Treatment of ED and urinary incontinence after prostate cancer treatment. Department of Urology, Qinghai University Affiliated Hospital, Xining, Qinghai, China (Chunhui Project), June 16, 2012.

90. Surgical Treatment of ED and UI. Department of Urology, Lanzhou University Second Hospital, Lanzhou, China, June 21, 2012.
91. Dual implantation of inflatable penile prosthesis and male sling through single perineal incision. The 11<sup>th</sup> Asia Congress of Urology (ACU), Pattaya, Thailand, August 22-26, 2012.
92. Peyronie's disease: new concept. The 11<sup>th</sup> Asia Congress of Urology (ACU), Pattaya, Thailand, August 22-26, 2012.
93. Impact of androgen deprivation therapy for prostate cancer on male sexual function. The ISSM/SMSNA Joint World Meeting on Sexual Medicine, Chicago, IL, August 26-30, 2012.
94. Management of ED and UI after radical prostatectomy. The Annual meeting of Urological Society of Inner Mongolia, Chifeng, China, September 18, 2012.
95. Current treatment of Peyronie's disease. The 13<sup>th</sup> Annual Meeting of Chinese Society of Andrology. Zhengzhou, China, September 21-24, 2012.
96. Comparison of robotic vs. Microscopic varicocelectomy. The 5<sup>th</sup> Jinling Sexual Medicine Forum, Nanjing, China, December 7-8, 2012.
97. Prostate Cancer-ED-UI: we need to treat them all. Advances in treatment of urogenital neoplasms. Nanjing, China, 8-9, 2012.
98. State-of-the-art lecture: role of technology in the future management of erectile dysfunction. The American Urological Association Annual Meeting, Dan Diego, CA, May 4-8, 2013.
99. Treatment of erectile dysfunction: the role of technology. The 14<sup>th</sup> biennial meeting of the Asia-Pacific Society for Sexual Medicine. Kanazawa, Japan, May 31 – June 2, 2013.
100. ED and Men's Health. Lavion Health Forum 67:1. Beijing, China, June 22, 2013.
101. Peyronie's disease: a practical approach by urologists. Hong Kong Surgical Forum – Urology in the 21<sup>th</sup> Century. Hong Kong, July 6, 2013.
102. New technologies for erectile dysfunction treatment. Hong Kong Surgical Forum – Urology in the 21<sup>th</sup> Century. Hong Kong, July 6, 2013.
103. Simultaneous placement of transobturator male sling and insertion of inflatable penile prosthesis through a single perineal incision (video). Hong Kong Surgical Forum – Urology in the 21<sup>th</sup> Century. Hong Kong, July 6, 2013.

104. Prostate cancer, ED and UI: we need to deal with them all. Shenzhen Surgical Forum - Urology in the 21<sup>th</sup> Century. Shenzhen, China, July 7, 2013.
105. Penile Implant. Guangzhou Zhongshan University No 3 Hospital. Guangzhou, China, July 8, 2013.
106. Surgical management of ED and UI. Beijing Hospital. Beijing, China, July 12, 2013.
107. UI and ED after prostate cancer treatment: surgical treatment. The 8<sup>th</sup> CUA Youth Urological Conference. Beijing, China, July 13, 2013.
108. ED treatment: today and tomorrow. The 7th Sichuan Andrology Meeting. Nanchong, China, July 14, 2013.
109. The current and future ED treatment. Lanzhou Symposium of Translational Urol-Reproductive Medicine (LSTURM2013) Lanzhou, China, July 20, 2013.
110. Treatment of ED: pathophysiology and future direction. Cross-Strait Urology Summit. Urumqi, Xinjian, China, August 11, 2013.
111. The future ED treatment with new technology. The 1<sup>st</sup> Shanghai International Forum for Men's Health. Shanghai, China, August 17, 2013.
112. From a Medical Student to a qualified surgeon in USA. Suining Central Hospital. Suining, China, October 22, 2013.
113. Prostate Cancer: what should we do for erectile function after its treatment? Advances in Treatment of Urogenital Neoplasms. Nanjing, China, October 25, 2013.
114. From a Medical Student to a Tenured Professor/Surgeon/scientist in USA. Shanghai Traditional Chinese Medical University Putuo Central Hospital. Shanghai, China, November 15, 2013.
115. Surgical Treatment of ED and UI after Prostate Cancer Treatment. Shanghai Genitourinary Oncology Symposium. Shanghai, China, November 16, 2013.
116. Erectile Dysfunction after Prostate Cancer Treatment: current strategies. Korean Association for Sexology Annual Meeting. Busan, Korea, November 17, 2013.
117. Simultaneous Placement of Penile Implant and Male Sling through Single Perineal Incision (Video Session). Sexual Medicine Society of North America the 19<sup>th</sup> Annual Fall Meeting. New Orleans, November 22, 2013.

118. Management of Erectile Function. The Value and Future of Prostate Brachytherapy in a Changing Healthcare Environment (an International Symposium). Houston, Texas, December 8, 2013.
119. Changing paradigms: Sexual health issue in uro-oncology. Case-based panel. SMSNA and SUPS 2014 Joint Scientific Program 21<sup>st</sup> Annual Scientific meeting at the AUA. Orlando, Florida, May 17, 2014
120. Is Testosterone supplementation safe in men at risk for prostate cancer? International Prostate Forum at the AUA, Orlando, Florida, May 18, 2014.
121. Functional rehabilitation after surgery and radiation. International Prostate Forum at the AUA, Orlando, Florida, May 18, 2014.
122. Prostate Cancer and ED. The 9<sup>th</sup> Japan-ASEAN Conference on Men's Health and Aging. Ulaanbaatar, Mongolia, May 30 – June 01, 2014.
123. Surgical Treatment for ED. The 9<sup>th</sup> Japan-ASEAN Conference on Men's Health and Aging. Ulaanbaatar, Mongolia, May 30 – June 1, 2014.
124. Surgical Tips with Penile Prosthesis insertion. APSSM Education Intensive Course. Mongolian National University of Medical Science, Ulaanbaatar, Mongolia, June 1, 2014.
125. Surgical Treatment of PD. APSSM Education Intensive Course. Mongolian National University of Medical Science, Ulaanbaatar, Mongolia, June 1, 2014.
126. Men's Health and PDE5-inhibitor. CME on Men's Health. Malaysian society of Andrology and the study of the aging male (msasam). Eastin Hotel Penang, Penang, Malaysia, June 4, 2014.
127. Men's Health and PDE5-inhibitor. CME on Men's Health. Malaysian society of Andrology and the study of the aging male (msasam). Ramsay Sime Darby Medical Center Auditorium, Subang Jaya, Malaysia, June 5, 2014.
128. Minimally Invasive Surgery for BPH – New Technology. Xiang Nan College Affiliated Hospital. Chinese Educational Administration “ChunHui Program”. Chengzhou, China, June 11, 2014.
129. Minimally Invasive Surgery for BPH – New Technology. Xiang Nan College the 2<sup>nd</sup> Affiliated Hospital. Chinese Educational Administration “ChunHui Program”. Chengzhou, China, June 12, 2014.
130. Minimally Invasive Surgery for BPH – New Technology. Xian Central Hospital. Chinese Educational Administration “ChunHui Program”. Xian, China, June 15, 2014.

131. Urolift – A New Technology for BPH. Guangzhou Medical University the 5<sup>th</sup> Hospital. Guangzhou, China, June 17, 2014.
132. Minimally Invasive Surgery for BPH and the effect on Sexual Function: new development. The 7<sup>th</sup> Jinling Sexual Medicine Forum, Nanjing, China, July 19, 2014.
133. Testosterone supplementation in men at risk for prostate cancer. Advances in Treatment of Urogenital Neoplasms. Nanjing, China, July 20, 2014.
134. Introduction of penile prosthesis. Penile Prosthesis Workshop, Hong Kong, July 25, 2014.
135. Surgical Tips with Penile Prosthesis Implantation. Penile Prosthesis Workshop, Hong Kong, July 25, 2014.
136. Management of ED after prostate cancer treatment. Division of Urologic Surgery, Washington University School of Medicine, St. Louis, Missouri, August 20, 2014.
137. Urolift: a new minimally invasive surgery for BPH without sexual side effect. The 6<sup>th</sup> Great Wall Translational Andrology and Urology Forum & the 7<sup>th</sup> Asia-Pacific Society of Men's Health and Anti-aging. Beijing, China, September 12, 2014.
138. Alternative reservoir placement. Round table 7-Managing difficult cases with PP. The 16<sup>th</sup> World Meeting on Sexual Medicine (ISSMSLAMs), São Paulo, Brazil, October 8-12, 2014.
139. Managing post-prostatectomy complications – penile and sphincter prosthesis. Urology Symposium 2014, Hong Kong. November 7-8, 2014.
140. Artificial urinary sphincter – is it still the gold standard? Urology Symposium 2014, Hong Kong. November 7-8, 2014.
141. Peyronie's disease: to tract or not to tract? 1<sup>st</sup> ISSM-SMHS-SUA Andrology Symposium at Urofair 2015, Singapore, March 11, 2015.
142. Updates on the inflatable penile prosthesis (IPP) for erectile dysfunction. 1<sup>st</sup> ISSM-SMHS-SUA Andrology Symposium at Urofair 2015, Singapore, March 11, 2015.
143. The evolution of the science of male LUTS and tadalafil BPH clinical data update. Urology Scientific Exchange Meeting. Shanghai, China, March 28, 2015.
144. Erectile dysfunction after post-radical prostatectomy – preservation or

- rehabilitation? Urology Scientific Exchange Meeting. Shanghai, China, March 28, 2015.
145. Penile rehabilitation for radical prostatectomy: case discussion. Urology Scientific Exchange Meeting. Shanghai, China, March 28, 2015.
  146. Varicocele and male infertility: new development. International Federation of Fertility Society (IFFS) and Japan Society for Reproductive Medicine (JSRM). Yokohama, Japan, April 26 – 29, 2015.
  147. Peyronie’s disease evaluation. The 8<sup>th</sup> Jinling Sexual Medicine Forum, Nanjing, China, July 25, 2015.
  148. Penile rehabilitation: the mile stones. Nanjing Urological Association Meeting. Nanjing, China, August 22, 2015.
  149. Penile Prosthesis: indications for insertion, operative techniques and management of complications. Postgraduate Course: Andrology & Mal Infertility – Stand firm and multiply. St. Luke’s Institute of Urology. Quezon City, Philippines, August 24, 2015.
  150. SMSNA and Fellowship in Andrology at the TMC. Chinese Society of Andrology Annual Meeting, Changchun, China, August 29, 2015.
  151. ED after radical prostatectomy: the mile stones in penile rehabilitation. SMSNA lecture at the 1<sup>st</sup> Genitourinary Huaxia Medical Forum (GU-HMF 2015) and 15<sup>th</sup> Biennial Meeting of the APSSM 2015, Beijing, China, September 11-14, 2015.
  152. New developments in ED and Peyronie’s treatment. Guangzhou First People’s Hospital. Guangzhou, China, September 14, 2015.
  153. Varicocele and Varicocelectomy: new development. Chinese Medical Doctor Association for Andrology Meeting. Xian, China, September 18 – 20, 2015.
  154. Management of Peyronie’s disease: evaluation. Parallel Plenary 19: Master-Class. Society of International Urology 35<sup>th</sup> Congress. Melbourne, Australia, October 15 – 18, 2015.
  155. Erectile function after brachytherapy – what anatomical structure we need to avoid during MRI planning? The utilization of MRI in LDR and HDR prostate brachytherapy: from diagnostics to response assessment. Houston, Texas, November 7-8, 2015.
  156. Penile implant. Sichuan Andrology Association Forum. Chengdu, China, March 4, 2016.

157. Urolift: a true minimally invasive surgery for BPH. The 9<sup>th</sup> Forum of Southwest Minimally Invasive Urology. Chengdu, China, March 5, 2016.
158. Prosthetics Masterclass: Troubleshooting, avoiding and managing trouble in prosthetic Surgery. Urological Society of Australia and New Zealand 69<sup>th</sup> Annual Scientific Meeting. USANZ Workshop. Gold Coast, Queensland, Australia, April 16, 2016.
159. Peyronie’s disease – a practical approach for urologists. Urological Society of Australia and New Zealand 69<sup>th</sup> Annual Scientific Meeting. USANZ Andrology/Uro-Oncology 2, Gold Coast, Queensland, Australia, April 17, 2016.
160. Premature ejaculation – management options for the patient seeking to linger longer. Urological Society of Australia and New Zealand 69<sup>th</sup> Annual Scientific Meeting. USANZ Andrology/Uro-Oncology 2, Gold Coast, Queensland, Australia, April 17, 2016.
161. Penile rehabilitation after radical prostatectomy – true incidence and is it working? Urological Society of Australia and New Zealand 69<sup>th</sup> Annual Scientific Meeting. USANZ Plenary Session – State of the Art, Gold Coast, Queensland, Australia, April 18, 2016.
162. Testosterone replacement – freedom from symptoms or hormonal shackles? Urological Society of Australia and New Zealand 69<sup>th</sup> Annual Scientific Meeting. USANZ Plenary BJUI session, Gold Coast, Queensland, Australia, April 18, 2016.
163. Penile implant new initiation. World Chinese Urological Society (WCUS) at the AUA. Lunch Symposium. AUA annual meeting, San Diego, CA, May 7, 2016.
164. Update of diagnosis and treatment of premature ejaculation (PE). Korean World Urologic Congress (KWUC) at the AUA. AUA annual meeting, San Diego, CA, May 8, 2016.
165. Complex cases: Peyronie’s disease. Plenary Panelist. AUA annual meeting, San Diego, CA, May 10, 2016.
166. Minimally invasive surgery for BPH: today and tomorrow. Shandong Urologists Association Meeting. Jinan, Shandong, China, May 14, 2016.
167. Testosterone and men’s health. Wuhan University. Wuhan, China, June 14, 2016.
168. Minimally invasive surgery for BPH. Department of Urology, Wuhan Union Hospital, Huazhong Science and Technology University. Wuhan, China, June 14, 2016.
169. Male aging, benign prostatic hyperplasia and minimally invasive surgery: today

- and tomorrow. 2016 International Forum on the Application of Integrated Traditional Chinese and Western Medicine in Clinical Practice and Scientific Research – Seminar of Journal of Integrative Nephrology and Andrology (JINA) & Shanghai TCM Continuing Education Program. Shanghai, China, June 17, 2016.
170. Adult Onset Hypogonadism. The 2<sup>nd</sup> Chinese Sexual and Reproductive Medicine Congress. Chongqing, China, June 18, 2016.
  171. Prostate cancer and the treatment of complications after radical prostatectomy. Nanjing Urological Association Annual Meeting and the 5<sup>th</sup> Zhong Da Hospital Minimally Invasive Surgery in Urology and Andrology. Nanjing, China, July 16, 2016.
  172. Minimally invasive surgery for BPH: current and future therapy. Dong Wu Prostate, Lower Urinary Tract and Andrology Forum. Suzhou, China, July 17, 2016.
  173. Penile traction vs vacuum erectile devices. What can straighten a man with Peyronie’s disease out? ISSM Andrology Symposium at the 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
  174. When an erection is overdue. Treatment of priapism. ISSM Andrology Symposium at the 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
  175. Training opportunities for young urologists: USA. Youth Section (masterclass) at the 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
  176. One thing after another. Penile implant after radical prostatectomy. Andrology (Plenary) at the 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
  177. Debate: penile rehabilitation adds little value, so why do it? Andrology (Plenary) at the 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
  178. Complex Peyronie’s repair: plication and graft techniques, tips to handle difficult repairs, managing complications. Andrology Masterclass at the 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
  179. Evolution of Andrology. The Chinese Andrology Chair Forum and The 11<sup>th</sup> Chinese Andrology Forum. Dalian, China, August 13, 2016.
  180. Premature Ejaculation: current therapy. The 11<sup>th</sup> Chinese Andrology Forum. Dalian, China, August 13, 2016. The 11<sup>th</sup> Chinese Andrology Forum. Dalian, China, August 13, 2016.

181. Radical Prostatectomy and the treatment of complications. Huaian Medical Association/Huaian People's Hospital. Huaian, China, August 18, 2016.
182. Evolution of Andrology. The 9<sup>th</sup> Jingling Sexual Medicine Forum and the 8<sup>th</sup> Nanjing Andrology Association Meeting. Nanjing, China, August 20, 2016.
183. Premature Ejaculation: current therapy. The 9<sup>th</sup> Jingling Sexual Medicine Forum and the 8<sup>th</sup> Nanjing Andrology Association Meeting. Nanjing, China, August 20, 2016.
184. Hypogonadism and Testosterone: Controversies. 2016 SMU/CMUN/AUA Lessons in Urology Course and Exam. Mexico City, Mexico, August 25-27, 2016.
185. Varicocele and Male Infertility: pathophysiology and treatment. 2016 SMU/CMUN/AUA Lessons in Urology Course and Exam. Mexico City, Mexico, August 25-27, 2016.
186. Physiology of Erection, Pathophysiology of Erectile Dysfunction. 2016 SMU/CMUN/AUA Lessons in Urology Course and Exam. Mexico City, Mexico, August 25-27, 2016.
187. Evaluation and Management of Erectile Dysfunction. 2016 SMU/CMUN/AUA Lessons in Urology Course and Exam. Mexico City, Mexico, August 25-27, 2016.
188. Pathophysiology, Evaluation and Management of Peyronie's disease. 2016 SMU/CMUN/AUA Lessons in Urology Course and Exam. Mexico City, Mexico, August 25-27, 2016.
189. Medical Training in US. Qingdao International Medical Symposium, Qingdao, China, September 17, 2016.
190. How to become a qualified surgeon, an educator and a scientist? Pfizer Symposium for Young Andrologists. Beijing, China, September 23, 2016.
191. Point counterpoint – Evidence for penile rehabilitation therapy in the prostate cancer patient: more fact or fiction. The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 24, 2016.
192. Traction therapy for Peyronie's disease: does it work? The 19<sup>th</sup> Congress of the European Society for Sexual Medicine. Nice, France, February 2-4, 2017.
193. New therapy and technology for premature ejaculation. The 19<sup>th</sup> Congress of the European Society for Sexual Medicine. Nice, France, February 2-4, 2017.
194. Development and future of international andrology. The 1<sup>st</sup> Surgical Congress of Chinese Andrology. Shanghai, China, March 10 – 12, 2017.

195. Treatment of male urinary incontinence with artificial urinary sphincter and male sling. The 1<sup>st</sup> Surgical Congress of Chinese Andrology. Shanghai, China, March 10 – 12, 2017.
196. Penile prosthesis implantation for Peyronie’s disease with erectile dysfunction. The 1<sup>st</sup> Surgical Congress of Chinese Andrology. Shanghai, China, March 10 – 12, 2017.
197. Surgical tips and management of complications for artificial urinary sphincter. Beijing Hospital Urinary Control Symposium. Beijing, China, March 13, 2017.
198. Surgical treatment for male urinary incontinence with artificial urinary sphincter. Chengdu Medical University Affiliated Hospital, Chengdu, Sichuan, China; March 16, 2017.
199. Surgical tips and management of complications for penile prosthesis implantation. Shanghai Ren Ji Andrology Forum. Shanghai, China, March 18, 2017.
200. Evaluation and medical therapy of erectile dysfunction. 1<sup>st</sup> Chinese Andrology Education and Training College Program, Houston, Texas, USA, May 7-10, 2017.
201. Surgical treatment of ED with penile implant with video cases. 1<sup>st</sup> Chinese Andrology Education and Training College Program, Houston, Texas, USA, May 7-10, 2017.
202. Peyronie’s disease: evaluation and treatment with video cases. 1<sup>st</sup> Chinese Andrology Education and Training College Program, Houston, Texas, USA, May 7-10, 2017.
203. Penile prosthesis implantation surgery: surgical technique A-Z. World Chinese Urological Society (WCUS) at the AUA. AUA annual meeting, Boston, May 12-16, 2017.
204. Urology training and opportunity for international physicians. Annual Conference of Chinese Urological Doctor Association. Chengdu, China, June 16-18, 2017.
205. Treatment of Male Stress Urinary Incontinence. Shenzhen Peking University Hospital. Shenzhen, China. June 22, 2017.
206. Surgical treatment of erectile dysfunction. Shenzhen Luohu District Hospital. Shenzhen, China. June 22, 2017.
207. Current Advance in Sexual Medicine – Erectile Restoration. The 3<sup>rd</sup> Chinese Sexual and Reproductive Medicine Congress. Fuzhou, China, June 23-25, 2017.
208. The diagnosis and treatment of erectile dysfunction. The 3<sup>rd</sup> Chinese Sexual and

- Reproductive Medicine Congress. Fuzhou, China, June 23-25, 2017.
209. Penile prosthesis implantation and artificial urinary sphincter. The 4<sup>th</sup> Yellow River Andrology Forum. Jinan, China, July 21-23, 2017.
  210. Two novel surgeries for BPH without sexual side effect. The Annual Meeting of Nanjing Urological Doctor's Association. Nanjing, China, July 21-23, 2017.
  211. Erectile function restoration. LESWT & ED International Academic Summit. Nanjing, China, July 23, 2017.
  212. Current advance in diagnosis and treatment of ED. The 12<sup>th</sup> Chinese Andrology Forum. Taiyuan, China, August 11-13, 2017.
  213. Urological andrology training in USA and opportunity for international physicians. The 12<sup>th</sup> Chinese Andrology Forum. Taiyuan, China, August 11-13, 2017.
  214. How to establish Men's Health Center. Taizhou Hospital. August 17, 2017.
  215. Diagnosis and treatment of ED. Taizhou Wuzhou Hospital of Reproductive Medicine. August 18, 2017.
  216. Challenges of penile prosthesis implantation. The 10<sup>th</sup> Jingling Sexual Medicine Forum. Nanjing, China, August 19, 2017.
  217. Penile implant reservoir placement, removal and emerging complications. XIV Congress of the Latin American Society for Sexual Medicine (SLAMS), Lima, Peru, September 7-9, 2017.
  218. Best strategies for successful artificial urethral sphincter placement in the patient with incontinence. XIV Congress of the Latin American Society for Sexual Medicine (SLAMS), Lima, Peru, September 7-9, 2017.
  219. Difficult cases in penile prosthesis. Worst case presentation. XIV Congress of the Latin American Society for Sexual Medicine (SLAMS), Lima, Peru, September 7-9, 2017.
  220. Orgasmic dysfunction after radical prostatectomy. Korean Urological Association Annual Meeting, Seoul, South Korea, September 27-29, 2017.
  221. Erectile dysfunction/Andrology Update, Peyronie's disease, Hypogonadism, Testosterone/Controversies. Korean Urological Association/AUA Review Course. Seoul, South Korea, September 29, 2017.
  222. SMSNA lecture: Erectile Restoration. 16<sup>th</sup> Biennial Meeting of the Asia Pacific

- Society for Sexual Medicine. Chiang Mai, Thailand, October 11- 13, 2017.
223. SMSNA Update. The 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.
  224. Erectile and Orgasmic Dysfunction after Radical Prostatectomy: an update. Methodist and Baylor Combined Grand Round. Houston, Texas, December 6, 2017.
  225. Penile Implant after Radical Prostatectomy: All you need to know. 2017 Annual Meeting of China Anti-Cancer Association-Genitourinary Cancer Committee & the 7<sup>th</sup> Shanghai Genitourinary Oncology International Symposium. Shanghai, China, December 9, 2017.
  226. The Tips of Penile Implant after Radical Prostatectomy. The 4<sup>th</sup> Andrology Symposium in Southern Jiangsu. Suzhou, China, December 9, 2017.
  227. Orgasmic Dysfunction after Radical Prostatectomy. Andrology Summit of Central China. Zhengzhou, China, December 10, 2017.
  228. Penile Implant: A-Z. Nanjing University Andrology Surgical Training Course. Nanjing, China, December 10, 2017.
  229. US Urology Training. Suzhou University 2<sup>nd</sup> Hospital. Suzhou, China, December 11, 2017.
  230. Erectile and Orgasmic Dysfunction after Radical Prostatectomy. The 2017 International Forum on Advances in Urology. Guangzhou, China, December 16, 2017.
  231. Complicated IPP cases for Residents at the SGSU Kimbrough Seminar, Scottsdale, AZ, January 12, 2018.
  232. SMSNA Lecture: penile prosthesis reservoir complications. 65<sup>th</sup> Annual James c. Kimbrough Urological Seminar, Society of Government Service Urologists (SGSU). Scottsdale, Arizona, January 13, 2018.
  233. Surgical techniques: size restoration for Peyronie’s disease without penile degloving. 21<sup>st</sup> World Meeting of the International Society for Sexual Medicine and 20<sup>th</sup> Congress of the European Society for Sexual Medicine. Lisbon, Portugal, March 3, 2018.
  234. ED guideline 2018. Cialis ED Summit 2018. Chengdu, China. April 14, 2018.
  235. Sexual Dysfunction after Urethral Reconstruction. The 16<sup>th</sup> Southwest Forum of Minimally Invasive Technology in Urology. Chengdu, China, April 14, 2018.

236. Men's Health 2018. The 2<sup>nd</sup> Fuzhou International Summit for Life Science and Health Care. Fuzhou, Jiangxi, China, April 18, 2018.
237. Complex Surgical Procedure for Peyronie's Disease. Nanjing University Andrology Training Course. Nanjing, China, April 20, 2018.
238. ED guideline 2018. Chinese Sexual Medicine Society Annual Meeting. Zhengzhou, China, April 21, 2018.
239. Difficult Cases in Andrology. Symposium Update in Andrology. Bodrum, Turkey May 12, 2018.
240. Animal Models in ED Research. Symposium Update in Andrology. Bodrum, Turkey, May 12, 2018.
241. ESWT in the Treatment of ED: are there sufficient scientific data for routine usage? Yes. Bodrum, Turkey, May 12, 2018.
242. Update of Peyronie's Disease - Recent Basic Science Research. Symposium Update in Andrology. Bodrum, Turkey, May 12, 2018.
243. The Ira Sharlip Lecture: from orient to Occident: comparison and contract: observations and reflections in sexual medicine. SMSNA Program at the AUA. AUA Annual Meeting, San Francisco, California, USA, May 18-21, 2018.
244. Survivor Debate: Peyronie's Disease. Plenary Prime Time. AUA Annual Meeting, San Francisco, California, USA, May 18-21, 2018.
245. Debate: Is penile rehabilitation following radical prostatectomy evidence based? Supporting the hypothesis. The joint meeting of European Section of Andrological Urology (ESAU) and the Portuguese Society of Andrology, Sexual Medicine and Reproduction. Porto, Portugal. May 31 to June 3, 2018.
246. State-of-the-art lecture: Impact of treatment related to sexual dysfunction in urethral stricture disease. Canadian Urological Association 73<sup>rd</sup> Annual Meeting. Halifax, Nova Scotia, Canada, June 23-26, 2018.
247. Penile prosthesis implantation after radical prostatectomy: all you need to know. Nanjing Urological Doctor's Association Meeting. Nanjing, China, July 6-8, 2018.
248. Comparison of eastern and western medicine for ED diagnosis and treatment. The 1<sup>st</sup> Chinese Andrology Qinhuai Forum. Nanjing, China, July 8, 2018.
249. Penile rehabilitation: current status. Peking University 3<sup>rd</sup> Hospital Urology Seminar. Beijing, China, July 10, 2018.

250. Urology Training in US. Shandong University 2<sup>nd</sup> Hospital Urology Seminar. Jinan, China, July 11, 2018.
251. Sexual function after radical prostatectomy. Dongwu International Forum for Prostate Cancer. Suzhou, China, July 14, 2018.
252. New ED guideline. Dongwu International Forum for Prostate Cancer and 2<sup>nd</sup> Peking University-Suzhou University Andrology Forum. Suzhou, China, July 14, 2018.
253. Penile rehabilitation after radical prostatectomy. Hubei Andrology Association Annual Meeting. Yichang, China, August 19, 2018.
254. Peyronie's Disease: recent development. The 13<sup>th</sup> Chinese Andrology Forum. Yinchuan, China, August 25, 2018.
255. Penile prosthesis implantation after radical prostatectomy: tips and new development. The 15<sup>th</sup> National Minimally Invasive Urology Symposium. Beijing, China, September 8, 2018.
256. Surgical treatment of Peyronie's disease: new development. The 5<sup>th</sup> Annual Meeting of Chinese Medical Doctor Association Branch of Andrology. Beijing, China, September 8, 2018.
257. Treatment strategy for ED after prostate cancer operation. Chinese Andrologist Zhejiang Forum (Combination of TCM and Western Medicine). Hangzhou, China, September 9, 2018.
258. Prostate and Men's Health; current and future. Gui Zhou People's Hospital (Chunhui Program). Guiyang, China, September 11, 2018.
259. Penile prosthesis implantation after radical prostatectomy: All you need to know. Taishan Andrology Forum. Jinan, China, September 15, 2018.
260. Erectile dysfunction after radical prostatectomy: what we have learned from animal models. Chinese Andrology Association 19<sup>th</sup> Annual Meeting. Dalian, China, October 25 – 28, 2018.
261. Men's health: urological prospects. The Joint Annual Meeting of Alliance of North American Chinese Physicians/Chinese American Neurological Association/American Association of Chinese Rehabilitation Physicians. Houston, Texas, November 2-4, 2018.
262. Case based presentations: male cancer survivors. 19<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Miami Beach, Florida, November 8-11, 2018.

263. New concept for BPH treatment. Qingdao University Hospital 120 Year Anniversary and Urology Submit. Qingdao, China, November 17, 2018.
264. Radical prostatectomy: Urologists and Andrologies must be prepared after the surgery. Yantai Urological Association Annual Meeting. Yantai, China, November 18, 2018.
265. Optimizing sexual function after brachytherapy. American Brachytherapy Society – MD Anderson Winter Prostate and GYN School and Prostate LDR/HDR Workshop. Houston, Texas, November 30, 2018.
266. Impact of urethral reconstruction on male sexual function. Oriental Forum 2018 – International Conference of Urethral Repair and Reconstruction. Shanghai, China, December 9, 2018.
267. Artificial urinary sphincter: techniques. Beijing Hospital Urinary Control Forum. Beijing, China, December 10, 2018.
268. Ectopic reservoir: what we have learned so far? The 21<sup>st</sup> congress of the European Society for Sexual Medicine. Ljubljana, Slovenia, February 14-16, 2019.
269. Penile rehabilitation after radical prostatectomy: important therapy or wishful thinking? Department of Urology, Taipei Veterans General Hospital, Taiwan, March 3, 2019.
270. Penile rehabilitation after pelvic surgery. Department of Urology, China Medical University Hospital, Taichung City, Taiwan, March 6, 2019.
271. Penile rehabilitation after radical prostatectomy: benefits and tricks. 2019 Annual Meeting and 50<sup>th</sup> General Scientific Meeting of the Taiwanese Association of Andrology. Kaohsiung, Taiwan, March 9, 2019.
272. Doc, can you make the penis longer with an implant? Sexual Medicine Society of North America Program at the AUA annual meeting, Chicago, May 3, 2019.
273. Plenary Prime Time: Survivor debate: severe erectile dysfunction with 90 degree curvature, hourglass deformity and penile shortening. The 2019 AUA annual meeting, Chicago, May 3-6, 2019.
274. Penile prosthesis implantation for Peyronie's disease. The 2<sup>nd</sup> China-US-EU Renji Andrology Forum. Shanghai, May 25, 2019.
275. Emerging applications of VED in male sexual disorders. The 5<sup>th</sup> Global Chinese Andrology and Sexual Medicine Summit. Zhengzhou China, July 5-6, 2019.

276. ESW Therapy for ED: current clinical evidence. Men's Health Submit. The Third Xiangya Hospital of Central South University, China, August 9, 2019.
277. Guideline for ED diagnosis and treatment. Current advance in andrology: study group 2019. Hengyang, China, August 9, 2019.
278. Establishing Men's Health Service. The 14<sup>th</sup> Chinese Andrology Forum and 4<sup>th</sup> Chinese Andrology Chair Submit. Hengyang, China, August 10, 2019.
279. Penile Length Enhancement with penile implant. The 12<sup>th</sup> Jinling Sexual Medicine Forum and the 3<sup>rd</sup> Chinese Andrology Surgical Conference. Nanjing, China, August 17, 2019.
280. Urolift: update 2019. The first Urolift Summit. Shanghai, China, September 18, 2019.
281. Function preservation minimally invasive surgeries for BPH. The 6<sup>th</sup> Chinese Doctors' Association for Andrology Meeting. Wuhan, China, September 21, 2019.
282. Debate: Severe Ed with 90 degree curvature, hourglass, and penile shortening. The 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
283. Sexual Medicine of North America: current and future. The 2<sup>nd</sup> Chinese Sexologist Congress and the 21<sup>st</sup> Sexual Culture Expo. Guangzhou, China. November 1-2, 2019.
284. Life-quality issues after radical prostatectomy: current strategies. Beijing Medical Award Foundation Urological Association 2019 Annual Meeting. Beijing Union University, Beijing, China. November 2, 2019.
285. Function preservation surgeries for BPH: current and future. The 16<sup>th</sup> Peking University 3<sup>rd</sup> Hospital Minimally Invasive Urology Conference. Beijing, China. November 2-3, 2019.
286. Minimally Invasive Surgery for BPH - Function Preservation is the Future. Chinese Urological Association Annual Meeting. Guangzhou, China. November 8-9, 2019.
287. Urolift for BPH. Urology Symposium 2019. Hong Kong, November 9-10, 2019.
288. Peyronie's disease: Current Techniques for Penile Elongation. XV Congress of the Latin American Society for Sexual Medicine (SLAMS), Sao Paul, Brazil, December 5-8, 2019
289. Implant choice and operative technique in redo penile prosthesis surgery pearls

- for optimizing outcomes. XV Congress of the Latin American Society for Sexual Medicine (SLAMS), Sao Paul, Brazil, December 5-8, 2019
290. Penile enlargement surgeries following radical prostatectomy: experimental, but a reality. 22<sup>nd</sup> Congress of the European Society for Sexual Medicine. Prague, Czech Republic, January 23-25, 2020.
  291. AMS 800. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific. March 9, 2020.
  292. AMS 700 patient selection. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific. March 14, 2020.
  293. AMS 700 surgical techniques and device selection. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific. March 23, 2020.
  294. AMS 700 complications and management. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific. March 28, 2020.
  295. Advanced study on AUS. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific China. May 9, 2020.
  296. Complicated IPP. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific China. May 23, 2020.
  297. Discussion on complications of IPP. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific China. June 6, 2020.
  298. Complicated AUS. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific China. June 28, 2020.
  299. Consumerism of Erectile Dysfunction - Penile Enhancement. AUA virtual panel presentation. June 27-28, 2020
  300. IPP patient education. Webinar lecture for Chinese physicians. Sponsor: Boston Scientific China. July 12, 2020.
  301. Urolift – Good Flow Without Compromising Sexual Function. Urofair 2020 Virtual Lecture. July 24, 2020.
  302. IPP Surgery: size matters. The 16<sup>th</sup> Renji Andrology Forum. Shanghai, China. Webinar Lecture. August 9, 2020.
  303. Implant choice and operative strategy in redo penile prosthesis surgery. The 13<sup>th</sup> Chinese Sexual Medicine Meeting. Nanjing China. Webinar Lecture. August 15, 2020.

304. Function preservation therapies for BPH: updates. The 4<sup>th</sup> Peking University-Suzhou University Andrology Forum. Suzhou, China. Webinar Lecture. August 22, 2020.
305. Functional Urology –Enlightenment from Minimally Invasive Surgeries for BPH. The 17<sup>th</sup> Peking University Third Hospital Minimally Invasive Urology Conference. Beijing, China. Webinar Lecture. September 20, 2020.
306. Covid-19 and Men’s Reproductive Health. Macao Urological Association Annual Meeting. Macao. Webinar Lecture. September 26, 2020.
307. Diagnosis and treatment standards and consensus for AMS 700 and AUS 800. Webinar Panel Discussion for Chinese physicians. Sponsor: Boston Scientific China. October 11, 2020.
308. BPH Surgeries: the new trend with function preservation. The Hong Kong University Shenzhen Hospital Annual Urology Symposium. Shenzhen, China. Webinar Lecture. October 11, 2020.
309. Penile elongation: methods and choices. Chinese Medical Improvement Association and Tong Ji Hospital 120 Anniversary Celebration Meeting. Webinar Lecture. Wuhan. November 7, 2020.
310. Debate: Penile lengthening should be offered to patients who request it. Sexual Medicine Society of North America Annual Virtual Meeting. November 15, 2020.
311. Strategy of improving penile length with penile prosthesis implantation. Nanjing Urological Association Annual Meeting. Webinar Lecture. Nanjing. November 15, 2020.
312. SMSNA fellow learning module for Peyronie’s disease. The 14<sup>th</sup> Chinese Sexual Medicine Annual Meeting. Webinar Lecture. Guiyang. June 5, 2021.
313. Penile Prosthesis Implantation: complications and management strategy. The 6<sup>th</sup> Asian Andrology Association Annual Meeting. Webinar Lecture. Shenzhen. June 19, 2021.
314. Penile Traction: What and When? The 5<sup>th</sup> Peking University – Suzhou University Andrology Forum. Webinar Lecture. Suzhou. June 26, 2021.
315. Sexual function preservation for surgery for BPH: Resum update. Chinese Urological Doctor’s Association Annual Meeting – AUA program. Webinar Lecture. Hangzhou. July 18, 2021.
316. VED therapy after radical prostatectomy: science or fiction. Chinese Tai Shan

- Andrology Forum. Webinar Lecture. Yantai. July 31, 2021.
317. Patient that is dissatisfied with penile length and SST deformity following surgery. AUA Annual Meeting Plenary Session: When Disaster Strikes: Preventing and Managing Nightmares in Urology. The AUA 2021 Annual Meeting, Las Vegas, September 11, 2021.
  318. Penile implant challenge complications. The World Association of Chinese Andrologist Annual Meeting (Virtual). September 19, 2021.
  319. Minimally invasive surgeries for BPH in North America. Annual Meeting of Minimally Invasive Surgery in Urology, Jiangsu Urological Association. Webinar Lecture. Wuxi. September 25, 2021.
  320. The pathway to regain erection after radical prostatectomy or cystectomy. The 18<sup>th</sup> Peking University 3<sup>rd</sup> Hospital Minimally Invasive Urology Conference. Beijing, Webinar Lecture. October 17, 2021.
  321. VED therapy after radical prostatectomy: science or fiction? SMSNA Fall Meeting. Scottsdale, October 22, 2021.
  322. Penile Traction Therapy: update. The 16<sup>th</sup> Chinese Andrology Forum. Webinar Lecture. Beijing. October 23, 2021.
  323. Penile implant challenge cases. The 5<sup>th</sup> Shanghai, Suzhou and Nantong Urological Andrology/Minimally Invasive Surgery Summit. Webinar Lecture. Nantong. November 7, 2021.
  324. Penile cosmetic surgery: Price to pay for length and girth enlargement. The ISSM World Meeting on Sexual Medicine (WMSM), Virtual meeting. Tokyo, Japan. November 20, 2021.
  325. The pathway to restore erectile function after robotic assisted radical prostatectomy. Nanjing Urological Association Annual Meeting. Webinar Lecture. Nanjing, November 26, 2021.
  326. Penile Cosmetic Surgery: current and future. Annual Meeting of Surgical Society of Chinese Sexology Association. Webinar Lecture. Shenzhen, November 27, 2021.
  327. Penile traction therapy in sexual medicine. Genitourinary Huaxia Medical Forum 2021. Webinar Lecture. Tienjing, November 27, 2021.
  328. The science and clinical evidence of VED for penile rehabilitation. The 14<sup>th</sup> Jingling Sexual Medicine Forum. Webinar Lecture. Nanjing, December 4, 2021.

329. The pathway to recover sexual function after radical prostatectomy. Nanjing Andrology Association Annual meeting. Webinar Lecture. Nanjing, December 25, 2021.
330. Re-do penile implant. The 5<sup>th</sup> Ling Nan Sexual and Reproductive Medicine Forum. Webinar Lecture. Guangzhou, December 26, 2021.
331. Penile implant requiring dissection of neurovascular bundle and urethra. The Master Class of Urethra and Pelvic Surgeries. Webinar Lecture. Guangzhou, December 29, 2021.
332. Neurovascular bundle and urethra dissection associated with penile implantation. Chinese Andrology Association Surgical Meeting. Webinar Lecture. Shanghai, January 13, 2022.
333. Penile length preservation strategies. 5<sup>th</sup> Annual UCI Advanced International Men's Health Course. Webinar Lecture. Irvin, CA January 29-30, 2022
334. Non-devolving penile lengthening strategy during penile prosthesis placement. Egyptian Urological Association Uro-Andrology Summit. Webinar Lecture. Cairo, Egypt, March 3- 4, 2022.
335. Penile prosthesis implantation for special conditions. The 18<sup>th</sup> Renji Andrology Forum. Webinar Lecture. Shanghai, China, March 12, 2022.
336. Urolift overview. The Urolift first group China. Webinar Lecture. Beijing, May 4, 2022.
337. Controversial Surgeries in Sexual Medicine - Penile Fillers and Girth Enhancers. The 27<sup>th</sup> Annual Scientific Program organized by the Sexual Medicine Society of North America (SMSNA) at the AUA. New Orleans, LA. May 13-16, 2022.

339. Testosterone and Prostate Cancer: update. International Prostate Forum at the AUA. New Orleans, LA. May 13-16, 2022.
340. Lengthening Procedures during IPP. Turkish Andrology Association the 22<sup>nd</sup> National Andrology Congress, Webinar Lecture, Istanbul, Turkey, May 28, 2022
341. Urolift Case Study. The Urolift first group China. Webinar Lecture. Beijing, June 10, 2022.

342. Urolift Introduction and Medium Lobe Study. KTPH Department of Urology. Webinar Lecture. Singapore, July 7, 2022.
343. Introduce newly CFDA approved Urolift for BPH. CUA Minimally Invasive Annual Meeting in Urology. Webinar Lecture. Beijing, China, July 9, 2022.

#### **4. Moderator, Chairman, Course Director for Scientific Meetings**

1. Moderator - Medical Pharmacology Poster Session. Sexual Medicine Society of North America Fall Meeting, New York City, New York, November 17-20, 2005.
2. Program Chairman - Current Advances in Urology – A Symposium for Chinese University Urologist Training College, Houston, Texas, May 14 – 18, 2006.
3. Moderator - Third Session of World Chinese Urological Society Meeting before American Urological Association Annual Meeting, Atlanta, Georgia, May 20, 2006.
4. Executive Chairman – 2<sup>nd</sup> World Chinese Urological Society Meeting before American Urological Association Annual Meeting, Anaheim, California, May 19, 2007.
5. Moderator – Symposium II: ED and LUTS/BPH: possible relationship with metabolic syndrome. Th 11<sup>th</sup> Biennial Meeting of the Asia Pacific Society for Sexual Medicine. Jeju, Korea from October 7 to 10, 2007.
6. Executive Chairman – 3<sup>rd</sup> World Chinese Urological Society Meeting before American Urological Association Annual Meeting, Orlando, Florida, May 17, 2008.
7. Co-Chairman - NIH/AUA Foundation Summer Research Conference on Sexual Medicine, Baltimore, MD, August 7-9, 2008.
8. Associate Chairman of the Scientific Committee – The 3<sup>rd</sup> Greatwall International Andrology Forum, Guilin, China, October 16 -20, 2008.
9. Moderator – Open Ceremony and Keynote Speaker Sessions, The 3<sup>rd</sup> Greatwall International Andrology Forum, Guilin, China, October 16 -20, 2008.
10. Abstract reviewer – 13<sup>th</sup> World Congress of the International Society for Sexual Medicine, Brussels, Belgium, December 7-11, 2008.
11. Executive Chairman – 4<sup>th</sup> World Chinese Urological Society Meeting before American Urological Association Annual Meeting, Chicago, Illinois, April 25, 2009.

12. Moderator – AUA Podium Session: Sexual function/dysfunction/androlgy: evaluation (I). Chicago, Illinois, April 25-30, 2009.
13. Scientific Committee Member – 3<sup>rd</sup> Asia-Pacific Forum on Andrology, Nanjing, China, October 10-13, 2009.
14. Moderator - Moderated Poster Session: Reconstructive Surgery. The 30<sup>th</sup> Congress of the Société Internationale d’Urologie, Shanghai, China, November 3, 2009.
15. Co-Chairman - The 2<sup>nd</sup> International Workshop of Sexual Dysfunction. Nanjing, China, November 6-8, 2009.
16. Moderator – Open Ceremony. The 4<sup>th</sup> Greatwall International Andrology Forum, Shenzhen, China, March 18-21, 2010.
17. Co-Chairman – The American Society of Andrology Special Symposium: Challenges in Urological Andrology. Houston, Texas, April 10, 2010.
18. Executive Chairman – 5<sup>th</sup> World Chinese Urological Society Meeting before American Urological Association Annual Meeting, San Francisco, California, May 29, 2010.
19. Moderator – AUA Poster Session: Sexual function/dysfunction/androlgy: Basic Research II. San Francisco, California, May 31, 2010.
20. Chairperson - Plenary Session 3 & 4. 5<sup>th</sup> Japan Asian Conference in Men’s Health & Aging Male. Kota Kinabalu, Sabah, Malaysia, July 9 -11, 2010.
21. Moderator – Expanding Boundaries in Sexual Medicine. Sexual Medicine Society of North America Fall Meeting. Miami Beach, Florida, November 12, 2010.
22. Moderator – Men’s Sexual Health Potpourri. Sexual Medicine Society of North America Fall Meeting. Miami Beach, Florida, November 12, 2010.
23. Executive Chairman – 6<sup>th</sup> World Chinese Urological Society Meeting before American Urological Association Annual Meeting, Washington DC, May 14, 2011.
24. Moderator – Novel predictors of erectile function recovery after radical prostatectomy. Sexual Medicine Society of North America Meeting at the AUA. Washington DC, May 15, 2011.
25. Moderator – AUA Poster Session: Sexual function/dysfunction/androlgy: Peyronie’s disease/surgical therapy. Washington DC, May 17, 2011.

26. Co-President - The 5<sup>th</sup> Forum of Prostate Disease, Shanghai, China, July 16-17, 2011.
27. Moderator – Quality of life outcomes: state-of-the-art lectures. Sexual Medicine Society of North America the 17<sup>th</sup> Annual Fall Meeting. Las Vegas, November 12, 2011.
28. Moderator - Moderator – Open Ceremony. The 5<sup>th</sup> Great Wall Translational Andro-Urology Forum (GTAUF 2012). Haikuo, Hainan, China, March 8-12, 2012.
29. Program Chairman - Current Advances in Urology – A Symposium for Peking University Urologist Training College, Houston, Texas, May 16, 2012.
30. Executive Chairman – 7<sup>th</sup> World Chinese Urological Society Meeting before American Urological Association Annual Meeting, Atlanta, Georgia. May 19, 2012.
31. Moderator – AUA Poster Session: Prostate Cancer: staging II. Atlanta, Georgia. May 20, 2012.
32. Program Chairman: The world of Chinese sexual medicine program. The ISSM/SMSNA Joint World Meeting on Sexual Medicine, Chicago, IL, August 26-30, 2012.
33. Moderator – SCSAUA Poster Session: Male Incontinence & Prosthetics/Bladder Neck. Colorado Springs, Colorado. October 25, 2012.
34. Co-Chair. The 5<sup>th</sup> Jinling Sexual Medicine Forum, Nanjing, China, December 7-8, 2012.
35. Co-Chair. Advances in treatment of urogenital neoplasms. Nanjing, China, 8-9, 2012.
36. Executive Chairman – 8<sup>th</sup> World Chinese Urological Society Meeting at American Urological Association Annual Meeting, San Diego, California. May 4, 2013.
37. Moderator – Priapism Update 2013, Sexual Medicine Society of North American Meeting at American Urological Association Annual Meeting, San Diego, California, May 4, 2013.
38. Moderator - AUA Podium Session: Sexual function/dysfunction/androlgy: evaluation (II). San Diego, California, May 6, 2013.
39. Co-Chairs - The 1<sup>st</sup> Shanghai International Forum for Men’s Health. Shanghai, China, August 16 - 18, 2013.

40. Co-Chair. Advances in treatment of urogenital neoplasms. Nanjing, China, October 25, 2013.
41. Program Director - Current Advances in Urology – A Symposium for Peking University Urologist Training College, Houston, Texas, May 11 – 15, 2014.
42. Executive Chairman – 9<sup>th</sup> World Chinese Urological Society Meeting at American Urological Association Annual Meeting, Orlando, Florida. May 17, 2014.
43. Moderator - AUA Moderated Poster Session: Sexual function/dysfunction/androlgy: basic research I. Orlando, Florida, May 18, 2014.
44. Symposium Chair - The 9<sup>th</sup> Japan-ASEAN Conference on Men’s Health and Aging. Symposium 5: Surgical treatment for ED. Ulaanbaatar, Mongolia, May 31, 2014.
45. Course Chair - APSSM Education Intensive Course - BPH and Prostate Cancer. Mongolian National University of Medical Science, Ulaanbaatar, Mongolia, June 1, 2014.
46. Co-Chair. Advances in treatment of urogenital neoplasms. Nanjing, China, July 20, 2014.
47. Academic Committee Director. The 6<sup>th</sup> Great Wall Translational Andrology and Urology Forum & the 7<sup>th</sup> Asia-Pacific Society of Men’s Health and Anti-aging. Beijing, China, September 11-14, 2014.
48. Moderator. Plenary Session (1). The 6<sup>th</sup> Great Wall Translational Andrology and Urology Forum & the 7<sup>th</sup> Asia-Pacific Society of Men’s Health and Anti-aging. Beijing, China, September 12, 2014.
49. Program Chairman: Chinese sexual medicine symposium. The 16<sup>th</sup> World Meeting on Sexual Medicine (ISSMSLAMS), São Paulo, Brazil, October 8-12, 2014.
50. Moderator: Moderated Poster 5 – ED diagnosis & Medical Treatment. The 20<sup>th</sup> Annual Fall Scientific Meeting of Sexual Medicine Society of North America, Miami, FL, November 20 - 23, 2014.
51. Moderator: Penile Implants Session. The 20<sup>th</sup> Annual Fall Scientific Meeting of Sexual Medicine Society of North America, Miami, FL, November 20 - 23, 2014.
52. Moderator: Male Infertility. International Federation of Fertility Society (IFFS) and Japan Society for Reproductive Medicine (JSRM). Yokohama, Japan, April 26 – 29, 2015.

53. Program Chairman: The 22<sup>nd</sup> Annual Scientific Meeting of SMSNA at the AUA. New Orleans, LA, May 16, 2015.
54. Moderator: JSM, ICSM and SMSNA. Sexual Medicine Society of North American Meeting at American Urological Association Annual Meeting, New Orleans, LA, May 16, 2015.
55. Moderator: AUA Moderated Poster Session: Sexual function/dysfunction/androlgy: basic research I. New Orleans, LA, May 17, 2015.
56. Moderator: International Exchanging Program - Chinese Society of Andrology Annual Meeting, Changchun, China, August 29, 2015.
57. Chair: Debate--Testosterone and Cardio Death: Fact or Fiction? Society of International Urology 35<sup>th</sup> Congress. Melbourne, Australia, October 15 – 18, 2015.
58. Moderator: Oncology and sexuality: non-prostate cancers. The SMSNA 21<sup>st</sup> Annual Fall Scientific Meeting, Las Vegas, NV, November 19 -22, 2015.
59. Program Chairman: The 23<sup>nd</sup> Annual Scientific Meeting of SMSNA at the AUA. San Diego, CA, May 7, 2016.
60. Moderator: AUA Moderated Poster Session: Sexual function/dysfunction: basic research & pathophysiology II. AUA. San Diego, CA, May 10, 2016.
61. Moderator: Point counterpoint debate: penile rehabilitation. The 23<sup>nd</sup> Annual Scientific Meeting of SMSNA at the AUA, San Diego, CA, May 7, 2016.
62. Moderator: Penile transplant. The 23<sup>nd</sup> Annual Scientific Meeting of SMSNA at the AUA, San Diego, CA, May 7, 2016.
63. Moderator and Judge: abstract competition. 14<sup>th</sup> Urological Association of Asia Congress, Singapore, July 20 -24, 2016.
64. Program Chairman: The 3<sup>rd</sup> Global Chinese Andrology and Sexual Medicine Congress at the ISSM World Meeting on Sexual Medicine, Beijing, China, September 22, 2016.
65. Moderator: Evolution of PDE5i in Korea. Korean Society for Sexual Medicine and Andrology Symposium at the ISSM World Meeting on Sexual Medicine, Beijing, China, September 22, 2016.
66. Panelist: Case discussion: office-based penile surgery for PE. Korean Society for Sexual Medicine and Andrology Symposium at the ISSM World Meeting on Sexual Medicine, Beijing, China, September 22, 2016.

67. Moderator: Master Lecture 9 – BPH and Sexual Dysfunction: what have we learned? The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 24, 2016.
68. Moderator: SMSNA Symposium – Science and Technology in Sexual Medicine, The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 24, 2016.
69. Moderator: Special Lecture 10 – What is the role for phytotherapy in men’s health? The 20<sup>th</sup> World Meeting on Sexual Medicine, Beijing, China, September 24, 2016.
70. Moderator: Plenary Session 5. The 2016 SMSNA Annual Fall Meeting, Scottsdale, AZ, November 3-6, 2016.
71. Congress Co-Chairman: The 1<sup>st</sup> Surgical Congress of Chinese Andrology. Shanghai, China, March 10 – 12, 2017.
72. Program Co-Chairman: 1<sup>st</sup> Chinese Andrology Education and Training College Program, Houston, Texas, USA, May 7-10, 2017.
73. Moderator: The Ira Sharlip Lecture. The SMSNA Annual Scientific Program at the AUA, Boston, May 12-16, 2017.
74. Moderator: AJA Lecture and WCUS Awards. World Chinese Urological Society (WCUS) at the AUA. Boston, May 12-16, 2017.
75. Co-Chairman: The 12<sup>th</sup> World Chinese Urological Society (WCUS) at the AUA. Boston, May 12-16, 2017.
76. Co-Chairman: The 10<sup>th</sup> Jingling Sexual Medicine Forum, Nanjing, China, August 18-20, 2017.
77. Moderator: Peyronie’s disease. 16<sup>th</sup> Biennial Meeting of the Asia Pacific Society for Sexual Medicine. Chiang Mai, Thailand, October 11- 13, 2017.
78. Moderator: SMSNA basic science symposium keynote speaker session. The 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.
79. Moderator: Medical ED Therapy Plenary. The 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.
80. Moderator: Practice and education. The 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.

81. Co-Chair: The 2017 International Forum on Advances in Urology. Guangzhou, China, December 16, 2017.
82. Moderator: Surgical Therapy 1 poster tour 7. 21<sup>st</sup> World Meeting of the International Society for Sexual Medicine and 20<sup>th</sup> Congress of the European Society for Sexual Medicine. Lisbon, Portugal, March 1, 2018.
83. Moderator: ESWT for ED, from basic research to implementation. 21<sup>st</sup> World Meeting of the International Society for Sexual Medicine and 20<sup>th</sup> Congress of the European Society for Sexual Medicine. Lisbon, Portugal, March 3, 2018.
84. Moderator: Men's Health/Full Continuum of Care. AUA Annual Urology Advocacy Summit. Washington, DC, March 12-14, 2018.
85. Moderator: Controversial topics in priapism. Symposium Update in Andrology. Bodrum, Turkey, May 12, 2018.
86. Moderator: Sexual function/dysfunction: basic research & pathophysiology II. AUA Annual Meeting, San Francisco, California, USA, May 18-21, 2018.
87. Moderator: Hot spots in andrology. The joint meeting of European Section of Andrological Urology (ESAU) and the Portuguese Society of Andrology, Sexual Medicine and Reproduction. Porto, Portugal. May 31 to June 3, 2018.
88. Co-Chair: Nanjing Urological Doctor's Association Meeting, Nanjing, China, July 6-8, 2018.
89. Honorary Co-Chair: The 1<sup>st</sup> Chinese Andrology Qinhuai Forum, Nanjing, China, July 8, 2018.
90. Honorary Co-Chair: Taishan Andrology Forum. Jinan, China, September 15, 2018.
91. Program Co-Chairman: 2<sup>nd</sup> Chinese Andrology Education and Training College Program, Houston, Texas, USA, November 4-7, 2018.
92. Program Co-Chair: Global Chinese Andrology/Sexual Medicine Society International Exchange program at the SMSNA annual meeting. Miami Beach, November 8, 2018.
93. Moderator: Erectile dysfunction – Medical. 19<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Miami Beach, Florida, November 8-11, 2018.
94. Moderator: Cancer Survivorship and Sexual Health Symposium – Part III. 19<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Miami Beach, Florida, November 8-11, 2018.

95. Moderator: Sexual function/dysfunction: medical, hormonal & non-surgical therapy II. The 2019 AUA annual meeting, Chicago, May 3-6, 2019.
96. Co-Chair: The 5<sup>th</sup> Global Chinese Andrology and Sexual Medicine Summit. Zhengzhou China, July 5-6, 2019.
97. Co-President: The 14<sup>th</sup> Chinese Andrology Forum and 4<sup>th</sup> Chinese Andrology Chair Submit. Hengyang, China, August 9-11, 2019.
98. Moderator: SMSNA/CSA Session. The 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
99. Moderator: International perspectives on sexual health. The 20<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. Nashville, Tennessee, October 24-27, 2019.
100. Moderator: The 16<sup>th</sup> Peking University 3<sup>rd</sup> Hospital Minimally Invasive Urology Conference. Beijing, China. November 2-3, 2019
101. Moderator: The international symposium. Sexual Medicine Society of North America Annual Virtual Meeting. November 15, 2020.
102. Honor President. The 14<sup>th</sup> Chinese Sexual Medicine Annual Meeting. Guiyang, Guizhou, China, June 5-6, 2021.
103. Honor President. The World Association of Chinese Andrologist Annual Meeting (Virtual). September 19, 2021.
104. Moderator: Poster Session: BPH, Infections, and Interesting Cases. The 100th Annual Meeting of the South Central Section of the AUA, September 29 - October 2, 2021, Scottsdale, AZ.
105. Moderator: Prime Time Part 3: Men's Health Workshop. The 100th Annual Meeting of the South Central Section of the AUA, September 29 - October 2, 2021, Scottsdale, AZ.
106. Moderator: International Session. SMSNA Fall Meeting. Scottsdale, October 22, 2021.
107. Moderator: Controversies in Sexual Medicine. SMSNA Fall Meeting. Scottsdale, October 22, 2021.
108. Moderator: Sexual function/dysfunction: surgical therapy II. Podium session 52. The American Urological Association Meeting, New Orleans, Louisiana, May 13-16, 2022.

## **5. Media Report Related to My Work**

1. Restoring Erectile Function in Patients Treated for Prostate Cancer: *Efforts across Disciplines Address Physical, Psychological, and Emotional Factors Related to Sexual Potency*. OncoLog, October 2003, Vol. 48, No. 10 by Mariann Crapanzano.
2. Nationally ranked urology department uses latest technology to treat patients. Living Magazine. September 2005, page 10-11 by Monica Gordon Byars.
3. Rehab program improves erectile function after RP. Urology Time, February 1 issue, 2006 by Ed Edelson.
4. Penile implantation for erectile dysfunction after prostatectomy. TV Channel 13, Houston, Texas, Broadcasted on August 18, 2006, Interviewed by Cristi Myers.
5. Scientists at the University of Texas Health Science Center at Houston and MD Anderson Cancer Center created a miniature vacuum-erection device (VED) that worked on rats. Esquire 153(3): 64, 2010.
6. Technology will play increasing role in ED treatment. AUA Daily News, May 6, 2013.
7. Caffeine may lower erectile dysfunction prevalence. Renal & Urology News, May 18, 2014.
8. Interviewed by Sewum Prosthetic Urology Center of Excellence  
<https://www.youtube.com/watch?v=oxyFMOKS-TY>
9. Interviewed by Translational Andrology and Urology. Trans Androl Urol 4:684-85, 2015.

## **6. Other**

Translations: Translated numerous English articles on urology, andrology and genetics for publications in different Chinese medical magazines. A translation of a book from English to Chinese about hypospadias was also published.

## **E. Visiting Professorships/Surgery Demonstrations**

1. Department of Urology, Sichuan University, Chengdu, China, August 20-21, 2004.
2. Department of Urology, Xian Jiaotong University, Xian, China, August 23-24, 2004.
3. Department of Urology, Nanjing University, Nanjing, China, August 25-26, 2004.
4. Department of Urology, Nanjing University, Nanjing, China, June 8-9, 2005.

5. Department of Urology, Shanghai First People's Hospital, Jiaotong University Medical College, Shanghai, China, June 10, 2005.
6. Department of Urology, Sichuan University, Chengdu, China, March 11-12, 2006.
7. Department of Urology, Sichuan University, Chengdu, China, October 21-22, 2007.
8. Department of Urology, Nanjing University, Nanjing, China, October 22-23, 2007.
9. Department of Urology, Tulane University, New Orleans, Louisiana, June 8-9, 2008.
10. Department of Urology, Nanjing University, Nanjing, China, October 13-14, 2008.
11. Department of Urology (Surgery demonstration: penile prosthesis implantation), Sichuan University, Chengdu, China, October 15, 2008.
12. Department of Urology, Louisiana State University Medical School in Shreveport, Shreveport, Louisiana, June 30, 2009.
13. Department of Urology (Surgery demonstration: male sling and AUS), 2<sup>nd</sup> Military Medical University, Shanghai, China, August 7-10, 2009,
14. Department of Urology, University of Ioannina. Ioannina, Greece. October 11, 2009.
15. Department of Urology (Surgery demonstration: penile prosthesis implant), Nanjing University, Nanjing, November 8, 2009.
16. Department of Surgery (Honorary Visiting Surgeon and Surgery demonstration: male sling), Princess Margaret Hospital. Hong Kong, March 13-16, 2010.
17. National University of Malaysia, Kuala Lumpur, Malaysia, July 12-14, 2010.
18. Georgia's Health Sciences University, Augusta, Georgia, February 11-12, 2011.
19. Department of Urology (Surgery demonstration: complex penile implantations), Louisiana State University Medical School in Shreveport, Shreveport, Louisiana, April 5, 2011.
20. Department of Urology (Surgery demonstration: male slings), Peking University People's Hospital, Beijing, China, October 5, 2011.
21. Department of Urology (Surgery demonstration: male slings), Southeast University Zhong Da Hospital, Nanjing, China, October 7, 2011.
22. Department of Urology (Surgery demonstration: penile prosthesis implantation), Southeast University Zhong Da Hospital, Nanjing, China, November 24, 2011.

23. Department of Urology (Surgery demonstration: penile plasty), Nanjing University, Nanjing, China, November 26, 2011.
24. Department of Andrology (Surgery demonstration: complex penile implantations), Kunmeng Medical University, Kunmeng, Yunnan, China, March 12-14, 2012.
25. Department of Urology (Surgery demonstration: penile implant replacement), Nanjing University, Nanjing, China, March 17-18, 2012.
26. Department of Urology (Surgery demonstration: artificial urinary sphincter), Peking University People's Hospital, Beijing, China, June 11, 2012.
27. Department of Urology (Surgery demonstration: penile prosthesis implantation), 301 General Hospital of PLA, Beijing, China, September 23, 2012.
28. Department of Andrology (Surgery demonstration: complex penile implant replacement), Nanjing University, Nanjing, China, December 6, 2012.
29. Department of Urology (Surgery demonstration: penile prosthesis implantation and artificial urinary sphincter placement), Southeast University Zhong Da Hospital, Nanjing, China, December 9, 2012.
30. Department of Urology (Surgery demonstration: penile implants), 2<sup>nd</sup> Military Medical University Changhai Hospital, Shanghai, China, July 10, 2013.
31. Department of Urology (Surgery demonstration: penile plasty), Beijing Hospital, Beijing, China, July 12, 2013.
32. Department of Urology (Surgery demonstration: penile prosthesis implantation and urothroplasty), Southeast University Zhong Da Hospital, Nanjing, China, October 25 and 28, 2013.
33. Sime Darby Medical Center Subang Jaya (Surgery demonstration: penile prosthesis and artificial urinary sphincter placements). Subang Jaya, Malaysia, June 5, 2014.
34. Department of Andrology (Surgery demonstration: penile implant), Nanjing University, Nanjing, China, July 19, 2014.
35. Department of Urology (Surgery demonstration: urothroplasty), Southeast University Zhong Da Hospital, Nanjing, China, July 20, 2014.
36. Pamela Youde Nethersole Eastern Hospital (Surgery demonstration: penile prosthesis implantations), Penile Prosthesis Workshop, Hong Kong, July 25, 2014.
37. Chinese University of Hong Kong (Cadaver lab: penile prosthesis implantation):

- Penile Prosthesis Workshop, Hong Kong, July 26, 2014.
38. Division of Urologic Surgery, Management of ED after prostate cancer treatment. Washington University School of Medicine, St. Louis, Missouri, August 20, 2014.
  39. Prince Wales Hospital/Chinese University of Hong Kong - Surgery demonstration: artificial urinary sphincter, November 8, 2014.
  40. Department of Andrology (Surgery demonstration: penile implants), Nanjing University, Nanjing, China, July 25, 2015.
  41. Department of Urology, University of Texas Southwestern Health Science Center. Journal Club Discussion for Prosthetic Surgery. Dallas, Texas, August 4, 2015.
  42. Department of Urology (Surgery demonstration: penile implant), Southeast University Zhong Da Hospital, Nanjing, China, August 22, 2015.
  43. Department of Urology (Surgery demonstration: penile implant), Southeast University Zhong Da Hospital, Nanjing, China, July 16, 2016.
  44. Department of Andrology (Surgery demonstration: penile implants), Nanjing University, Nanjing, China, August 20, 2016.
  45. Department of Urology (Surgery demonstration: artificial urinary sphincter), 2<sup>nd</sup> Military Medical University, Shanghai, China, March 10, 2017.
  46. Department of Urology (Surgery demonstration: artificial urinary sphincter), Peking University People's Hospital, Beijing, China, March 13, 2017.
  47. Chengdu Medical University Affiliated Hospital (Surgery demonstration: artificial urinary sphincter), Chengdu, Sichuan, March 16, 2017.
  48. Boston Scientific Training Program (Surgery demonstration: penile prosthesis implantation), Minidoka, MN, April 14, 2017.
  49. Department of Urology (Surgery demonstration: inflatable penile prosthesis), Sichuan University, Chengdu, China, June 16, 2017.
  50. Chengdu Medical University Affiliated Hospital (Surgery demonstration: inflatable penile prosthesis), Chengdu, Sichuan, China. June 17, 2017.
  51. Department of Urology (Surgery demonstration: artificial urinary sphincter, penile plastic surgery for Peyronie's disease), Beijing Hospital. Beijing, China. June 19, 2017.
  52. Department of Infertility and Sexual Medicine (Surgery demonstration: artificial

- urinary sphincter revision, inflatable penile prosthesis implantation), The 3<sup>rd</sup> Hospital of Zhong Shan University (Sun Yat-Sen University), Guangzhou, China. June 21, 2017.
53. Department of Urology (Surgery demonstration: inflatable penile prosthesis). Shanghai Cancer Hospital, Fudan University. Shanghai, China, July 21, 2017.
  54. Department of Urology (Surgery demonstration: penile implant), Southeast University Zhong Da Hospital, Nanjing, China, July 22, 2017.
  55. Department of Andrology (Surgery demonstration: inflatable penile prosthesis), Beijing University 3<sup>rd</sup> Hospital, Beijing, August 11, 2017.
  56. Department of Urology (Surgery demonstration: inflatable penile prosthesis re-implantation), Beijing Hospital. Beijing, China, August 11, 2017.
  57. Department of Andrology (Surgery demonstration: inflatable penile prosthesis re-implantation), Nanjing University Drum Tower Hospital, Nanjing, China, August 19, 2017.
  58. The 1<sup>st</sup> International Masters in Prosthetic Surgery. Didactic lecturer and cadaver lab instructor. The 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.
  59. Resident cadaver course instructor. The 18<sup>th</sup> Annual Fall Scientific Meeting of SMSNA. San Antonio, Texas, October 26-29, 2017.
  60. Department of Andrology (Surgery demonstration: penile plasty for Peyronie's disease), Beijing University 3<sup>rd</sup> Hospital, Beijing, December 12, 2017.
  61. Department of Urology (Surgery demonstration: inflatable penile prosthesis), Guangzhou University 5<sup>th</sup> Hospital, Guangzhou, December 16, 2017.
  62. Pelvic floor live surgery symposium. Surgery Demonstration: inflatable penile prostheses. Istanbul, Turkey, March 30-31, 2018.
  63. Department of Urology (Surgery demonstration: penile prosthesis implantation), 301 General Hospital of PLA, Beijing, China, April 21, 2018.
  64. Department of Urology (Surgery demonstration: artificial urinary sphincter, penile implant), Southeast University Zhong Da Hospital, Nanjing, China, July 7, 2018.
  65. Department of Andrology (Surgery demonstration: penile implant), Jiangsu Province Hospital of Nanjing University of TCM, Nanjing, China, July 8, 2018.
  66. Department of Urology (Surgery demonstration: penile implant), Beijing University

- 3<sup>rd</sup> Hospital, Beijing, July 10, 2018.
67. Department of Andrology (Surgery demonstration: Complex inflatable penile prosthesis re-implantation), Nanjing University Drum Tower Hospital, Nanjing, China, August 18, 2018.
  68. Department of Urology (Surgery demonstration: Artificial urinary sphincter removal and transcorporeal replacement), Zhejiang Provincial People's Hospital, Hangzhou, China, December 7, 2018.
  69. Department of Urology (Surgery demonstration: Artificial urinary sphincter implantation), Changhai Hospital, Shanghai, China, December 8, 2018.
  70. Department of Urology (Surgery demonstration: Complex artificial urinary sphincter implantation with transcorporeal approach), Shanghai 6<sup>th</sup> People's Hospital, Shanghai, China, December 8, 2018.
  71. Department of Urology (Surgery demonstration: Artificial urinary sphincter implantation), Tangdu Hospital, Xian, China, December 9, 2-018.
  72. Department of Urology, University of California Irvine Health. Grand round lecture: Penile Implant Update: 2019. Lecture delivered through Zoom. April 22, 2019.
  73. Department of Urology, Shanghai Jiaotong University the 9<sup>th</sup> Hospital. (Surgical demonstration: Penile reduction surgery with inflatable penile prosthesis implantation). Shanghai, May 24, 2019.
  74. Department of Andrology (Surgery demonstration: penile implants), Nanjing University, Nanjing, China, August 17, 2019.
  75. Department of Urology (Surgical proctor - Urolift). Prince of Wales Hospital, Hong Kong Chinese University, Hong Kong, November 11, 2019.
