RE: Zorgniotti Fund 2022 educational fund

I'm writing to provide ISSM information relating to the Zorgniotti Fund awarded in 2020 for the educational grant project titled "An APSSM-ISSM educational project: Advancing sexual medicine awareness and clinical care in Vietnam and Indonesia". Due to the ongoing COVID pandemic in 2022, the APSSM has invested the awarded grant money in virtual meetings and research projects

1. A conjoint VSSM-APSSM-ISSM virtual scientific webinar on 18th November 2022: **\$5,000**
 - Attended by more than 400 local VSSM members and 50 international APSSM members.
 - Lectures provided by 4 experts (China X2, Vietnam X1 and Indonesia X1)
2. An APSSM consensus statement on penile reconstructive and prosthetic surgery project (multi-nationals): **\$3,000**
 - Paper titled "Chung E, Moon DG, Jiang Hui, Chang HC, Hakim L, Nagao K et al. Clinical recommendations on penile reconstructive and prosthetic surgery: A consensus statement from the Asia-Pacific Society of Sexual Medicine (APSSM)" has been accepted by Sexual Medicine (Open Access) end of last year.
3. Translation of ISSM guidelines on erectile dysfunction to Indonesia national language (project in working with the Indonesia Sexology Association): **\$2,000**
